

CANADIAN SON OF TEMPERANCE,

THE LARGE ONE HUNDRED AND THREE, YOUNG STREET.

The rage for the gold of Australia is just, And men gather wisdom and show it at last For now they believe what they've often been told, That our own favored Canada is the country for Gold!

While here we are blessed with a generous soil, The man may have gold who is willing to toil, And vain were his search for a happy shore, While blessings so numerous encircle his door.

Strange indeed would it be, if a land like our own, Where our roses, though latest, are sweetest when blown

Though our winters are long, and sometimes severe, But lead us to summers delightfully clear Should be less attractive, because of its cold, Than lands full of vices—though teeming with gold!

Not prosperous as Canada always hath been, This year is the best that she ever hath seen, And now she is wreathing a laurel to wear, That nations may one day be anxious to share.

Her prosperous condition will appear very plain, Where her farmers get a dollar and a quarter for grain, While all their productions so readily sell, At prices which now pay them equally well.

To many, it doubtless may seem very queer, Why Dry Goods are cheap and Provisions so dear, It is true, notwithstanding, which our patrons may see,

By calling on Young Street "One Hundred and Three."

While many must know, an advance very great, Has been made in the value of woollens of late, Yet our flannels and blankets will quickly appear, Quite as low as the prices we offered last year.

Our Bonnets and Cloaks have been tastefully made, With a prospect of greatly increasing our trade, And our Shawls and our Furs will at once please the eye, And induce even the most fastidious to buy.

Our manner of business is extensively known, The lowest price asked, with the article shown; And such, we determine, shall continue to be, The unceasing practice at ONE HUNDRED AND THREE.

THE LARGE 103, YONGE STREET, TORONTO.

Terms of this Paper for 1854.

THE "CANADIAN SON OF TEMPERANCE AND LITERARY GEM" is devoted to the interests of the Order of the Sons—to temperance generally—to agriculture and the interests of farmers—to the advancement of Canadian Literature and Science—and to general and political news. The effort of the Publisher and Editor will continue to be to make it eminently a home and family paper, filled with a choice variety of reading matter. Our terms for 1854 are as follows:—

Single Subscribers, sent by mail, or delivered in the city, in advance, or within January, 6s. 3d., cy.

At the end of three months, 7s. 6d., cy.; at six months, 8s. 9d., cy.; at the end of the year 1854, 10s., cy. These sums will be considered as due at collection at the end of these respective periods.

Half-yearly Subscribers 5s. 9d., cy., in advance, and \$1 if not paid till the end of six months.

To Agents, Friends and Clubs, we offer these inducements:—

To agents whose names have stood upon our Books in 1853, if declining to act as such in 1854, 5s., cy., in advance, will be charged.

To old agents collecting from old or new Subscribers, in 1854, \$10—or sending five entirely new names, sending the money to us during the year, at regular prices, a copy will be sent gratis.

To any old Subscribers sending two new Subscribers, at regular prices, 5s., cy.

Ten copies of this paper will be sent to one address for \$10. Twenty copies to one address for \$18. In such cases it must be distinctly understood that the papers will be done up in one package, and addressed to but one person, or Division—and that these sums must be paid in advance, or within January—otherwise the usual credit charge will be made against the person or division ordering them.

Any one sending ten new subscribers, at usual prices, of 6s. 3d. each, (in advance) may deduct out of the money collected 15 per cent, and so for any greater number. The Proprietor however, gives notice that he will not be answerable for the receipts of, and payments to agents, travelling or otherwise, whose names do not appear regularly as such in this paper. Subscribers, before paying self-constituted agents, should see that they are persons of character and property.

The "SON & GEM" will be regularly issued weekly, on Friday afternoons,—dated and mailed on Saturday, so that most, if not all of our Subscribers will receive the same in Canada East and West by Saturday evening.

Advertisements will be inserted upon moderate terms—a large deduction will be made for yearly advertisements.

All Postages must be paid by Subscribers and Contributors.

Address Mr. C. DURAND, Editor and Proprietor—Son & Gem Office, Toronto, C. W.

TO persons wishing to Advertise in this Paper. The Son & Gem has always had a large circulation in this city, and the three neighboring counties, never less than from 800 to 1000;—and that too among a busy population—the farmers and mechanics. We will do more to increase this circulation within a few months than 1000 dollars worth of any other way.
