Hearthstone." That of Frederick Wright is also very good.

If a the second is a few of the second is a copy of the San Francisco III age. I the 19th February.

If The Lamit, Herald 2nd soutine has been resived after a suspension of a few months by A II ST German. It contains eitheren pages, is published semi-monthly, for one donor a year. The first number presents a very nost appearance, and is filled with a variety of useful and contentialing motor. We would much rather see such publications justiced than many of our inferior pointers [up 18]. It is the opinion of the House that the list of February would be the most suitable time for Parliament to meet have been carried. Mr Smith of Frontenac, Hill to recurred the dependence of Parliament has been read a second time.

A drunken and nurderous aftray has just occurred at the Peacock Tavera, between Catholics and Protestants. One men is diagerously wounded.

The body of a man named O'Neil has just been found in the Bon River. He has been missing for over a year.

year

Late European news state that the Madial are libernied by the Tu-can Government, upon condition of selfbanishment from Italy

builshment from Italy

THE TERPERANCE CHALLENGE is omitted this week, but will be inserted next week again. We would mention that the Hes Mr. Ward, coloured minister, one of the ablest de latters in Canada, will be the eighth speaker on the side of true consistency. He agrees with us fully on this question.

THE WEATHER.—On Thesday and Wednesday has tweek the weather was very line. Thursday and Friday were cooler—it having ramed, accompanied by sleet and show, on Thursday. On Wednesday the Thermometer stood at 20 degrees falterinhelt most of the day. Siturday was a fine sun ay day. Agan came in middly Many persons on sainly had have commoneted gardening. Roads are very bod in the country. Eggs are coming into market very plentifully, and sell now at ed. to 91, per dozen. We observe from the market prices that provisions are lower in Hamilton. The English news of 1ste dates, state the provision markets are firm. Wheat in Liverpool had advanced Id, per bushel, flour Cd.

NOTICE—Agents and Priends—With this number we enter on a new quarter. In order to increase our circulation we would ask agents and friends to endeavor to obtain nine months and six no othes subscribers, ending with this year. This paper is published weekly—gives a great variety of matter, and there are very few who could not pay 34, 9d of January next—nine months—34, 9d, will pay for the of January next—nine months—35, 9d, will pay for the omenths—25. 6d, for six months—35 for the volume of 2803, analysis and underse of within one month. There wishing the brick numbers of the whole year can have them. \$3 will pay for four copies, nine months.

### Receipts since our last Issue.
