

SKETCHING DOLLY.

Archie is indeed an ambitious young artist. He has found a pad of his sister's sketching paper and is making a drawing of Miss Dolly. She will be a very good subject I think, too, for I guess she won't budge an inch and will keep the same expression all the time. What do you think about it?

BE KIND TO OTHERS.

There is always some one to smile at; somebody to whom a book, a flower, or even an old paper will be a boon. These small attentions will open the way to confidence; will make it possible that in need these friends will give you opportunities to help them which, unless you had shown thoughtfulness and regard for them, they could never have done. A quiet, sympathetic look or smile many a time unbars a heart that needs the help which you can so efficiently give.
