MISCELLANEOUS.

London Presbytery, North, held its April meeting recently—Rev. Dr. Monro Gibson, Moderator.

Camden-road congregation, London (Rev. Dr. Thornton's) raised for Foreign Missions last year the handsome sum of £130.

It has been agreed to invite the English Presbyterian Synod to meet in London in 1896. The meeting to be held as heretofore in Regent-square.

RHEUMATISM CURED IN A DAY—South American Rheumatic Cure, for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause, and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by all Druggists.

The annual meetings of the Norfolk Congregational Union, were held last week in Norwich. The annual sermon was preached on Tuesday evening in Prince's street Church by Dr. Monro Gibson, the subject being "The Work of the Holy Spirit."

The Bishop of Cremona has published a pastoral letter to working men, in which he speaks of the vice of drunkenness, and declares that no diminution in the hours of labour nor augmentation of wages will do any good to work-people till this vice is eradicated.

SOMETHING WE WOULD RECOMMEND TO THE EARNEST ATTENTION OF MINISTERS, FATHERS AND MOTHERS.

A GREAT FIELD OPEN FOR THEIR ENERGY IN STRIVING TO STOP OR DIMINISH THE "ALCOHOL" AND "MORPHINE" HABIT.

Much has been said about men and women acquiring the above pernicious habits through taking patent medicines, which are largely made up of these ingredients. Of course these powerful nerve tonics stimulate for a short time and make people "feel good," but the stimulant must be taken frequently, and in this manner the baneful habits attach themselves to the user, never to be got rid of.

To avoid or diminish these evils as much as possible "MANLEY'S" Celery Nerve Compound, with Beef, Iron and Wine, was placed before the public. It is a scientific combination of celery for the nerves, beef, iron and wine for the blood and strength, and camomile and other tonics, and is based on glycerine (the most perfect germ destroyer, and healing, cooling laxative known to the medical profession) instead of alcohol.

Just think of the beneficial effects this will produce, and, being free from harmful narcotic, the horrible evils our dear friends may be saved from.

If your head is sore or the skin irritated would you use a burning irritant like alcohol if you had glycerine? No! Then why use it on the more tender membranes of the stomach? If you need a pure, health-building, common sense tonic, devoid of any ingredient that can harm the most delicate woman or child, we recommend you to take "MANLEY'S" Celery Nerve Compound, for in this you avoid even the appearance of evil. Recommend it to your friends for the above, and also for the reason that it is *unrivalled* in health-giving properties. You can buy it of any druggist, or write to the Lion Medicine Co., Toronto. Remember "MANLEY'S" is what we recommend.
