Washing made light  
and easy. The clothes have that pure white-  
ness which no other mode of washing can  
produce. No rubbing required—no friction to  
injure the fabric. A ten-year old girl can do  
the washing as well as an older person. To  
place it in every household, the price has been  
reduced to \$3.00, and if not found satisfactory,  
money refunded within one month from date  
of purchase.

See what *The Baptist* says: "From personal  
examination of its construction and experience  
in its use we commend it as a simple, sensible,  
scientific and successful machine, which suc-  
ceeds in doing its work admirably. The price,  
\$3.00, places it within the reach of all. It is a  
time and labour-saving machine, is substantial  
and enduring, and is cheap. From trial in the  
household we can testify to its excellence."

See what the *Canada Presbyterian* says about  
it: "The Model Washer and Bleacher which  
Mr. C. W. Dennis offers to the public has many  
and valuable advantages. It is a time and  
labour-saving machine, is substantial and en-  
during, and is very cheap. From trial in the  
household we can testify to its excellence."

The engines may be seen at Van Tassal's foot bridge warehouse, Belleville.  
As a proof of the popularity of my Threshing Engines, I may state that three or four other

**WHAT IS CATARRH?**

[From the Toronto (Canada) "Mail"]

Catarrh is a mucopurulent discharge caused  
by the presence and development of the vege-  
table parasite amoeba in the internal lining  
membrane of the nose. This parasite is only  
developed under favorable circumstances, and  
these are: Morbid state of the blood, as the  
bilged corpuscle of tubercle, the germ poison  
of syphilis, mercury, toxemia, from the reten-  
tion of the effete matter of the skin, sup-  
pressed perspiration, badly ventilated sleeping  
apartments, and other poisons that are germi-  
nated in the blood. These poisons keep the  
internal lining membrane of the nose in a  
constant state of irritation, ever ready for a  
deposit of the seeds of these germs, which  
spread up the nostrils and down the fauces, or  
back of the throat, causing ulceration of the  
throat; up the Eustachian tubes, causing  
deafness; burrowing in the vocal cords,  
causing hoarseness; usurping the proper  
structure of the bronchial tubes, ending in  
pulmonary consumption and death.

Many attempts have been made to discover  
a cure for this distressing disease by the use  
of inhalants and other ingenious devices, but  
none of these treatments can do a particle of  
good until the parasites are either destroyed  
or removed from the mucus tissue.

Some time since a well-known physician of  
forty years' standing, after much experiment-  
ing, succeeded in discovering the necessary  
combination of ingredients which never fails  
in absolutely and permanently curing this  
horrible disease, whether standing for  
one year or forty years. Those who may be  
suffering from the above disease should, with-  
out delay, communicate with the business  
managers, Messrs. A. H. DIXON & SON,  
and treat free by enclosing stamp.

What the Rev. E. B. Stevenson, D. A., a Clergyman of the Methodist  
Church of Canada, has to say in regard to A. H. Dixon & Son's  
New Treatment for Catarrh.

Messrs. A. H. Dixon & Son:  
OAKLAND, ONTARIO, CANADA, March 17, 1883.  
Dear Sirs,—Yours almost too good to be true that I am cured of  
Catarrh, but I know that I am. I have had no return of the disease and never felt better in my life.  
I have tried so many things for catarrh, suffered so much and for so many years, that it is hard for me to  
realize that I am really better.  
I consider that mine was a very bad case. It was aggravated and chronic, involving the throat as  
well as the nasal passages, and I thought I would require the three treatments, but feel fully cured by the  
two sent me, and I am thankful that I was ever induced to send to you.  
You are at liberty to use this letter, stating that I have been cured at two treatments, and I shall  
gladly recommend your remedy to some of my friends who are sufferers.  
Yours, with many thanks,  
Rev. E. B. STEVENSON.
