

Dr. F. N. G. Starr, 471 College street, Toronto, to whom all communications of a general character, having reference to the meeting, should be addressed.

---

Dr. John Herald has been appointed to the chair of clinical medicine in Queen's University, made vacant by the death of Dr. Herbert Saunders.

The *Australian Medical Journal* and the *Intercolonial Journal of Medicine and Surgery* have amalgamated under the title of the *Intercolonial Medical Journal of Australasia*.

In consequence of the death of the editor of *The Annals of Ophthalmology and Otology* the conduct of that quarterly periodical has passed into the hands of Dr. Casey Wood, of Chicago, who will have charge of the ophthalmological department, and Dr. T. Melville Hardie, who will act as editor of the department of otology and laryngology.
