

The Renaissance of Music

JUST as Mr. Edison put music into millions of homes with his invention of the first phonograph, so now the beautiful world of music is reborn with the coming of

The NEW EDISON

—The Instrument That
Re-Creates Music

It astounds. It amazes. You can have no conception of its wonders, until you hear it re-create song, instrument and speech in direct comparison with the original.

Demonstrations of this unparalleled achievement in the leading cities, have proved to the satisfaction of the greatest musical critics that the New Edison is unapproached in its range of musical expression.

Do you want to know more about Mr. Edison's marvellous invention, which one of the musical critics describes as "the Phonograph with a soul"? If so, send to us for a copy of the brochure, "Music's Re-Creation", and the booklet "What The Critics Say".
