ASSESSMENT SYSTEM.

MUTUAL PRINCIPLE.

From the Official Report of the
Examination of

Mutual Reserve Fund Life Association

BY THE

New York Insurance Department.

MAY, - 1898.

Verification of Annual Report.

"The examination shows that the Company's last annual statement was substantially correct. The variations in certain of the figures as between those contained in the report and those shown by the examination are so trivial as not to warrant a reference to these differences in this report."

Report of ISAAC VANDERVOEL, Chief Examiner.

**Association Solvent and Every Honest
Death Claim Paid in Full.**

"The result of the examination shows that the Association is solvent and pays in full every death claim that is a proper charge upon the mortuary funds contributed by the members, and that, in every case of settlement or compromise, the character of the claim has been such as to make it the duty of the management to protect the members against unjust demands."

Report of HON. LOUIS F. PAYN, Supt. of Insurance.

W. J. McMurtry,

Manager for Ontario.
