

## Are Your Funds Waiting Investment?

Close to \$1,000,000,000 is now being distributed from coast to coast in connection with our crops. This will shortly result in a freer circulation of funds throughout Canada's industrial, mercantile and financial world.

Our foreign trade is running 25% over the previous year. Our domestic trade, as shown by bank clearings, is over 28% above the previous year, and bank deposits are over \$150,000,000 higher than the record year ending June, 1919.

At this time, during the past few years, Canadians have had an opportunity, through great public loans, of purchasing Victory Bonds, and over one million Canadians evidenced their approval of Canada's Premier Security by purchasing in the aggregate over \$2,000,000,000 worth.

Beyond doubt Canadians are financially able to make further substantial investment records. We cannot conceive of any better form of investment for the large funds now accumulated than Victory Bonds, which undoubtedly will be bought up freely.

### NOW IS NO TIME FOR IDLE FUNDS

The new prices for Victory Bonds make them the greatest investment bargain in Canada. There will be no public loan this year. The present supply is not large. Do not let your funds lie idle and "rust." If you have funds available we cannot too strongly recommend that you purchase Victory Bonds to the limit.
