This volume was published in response to many inquiries for a careful digest of the Ontario municipal laws. Purchasers may arrange with the publisher to obtain, each year, printed sheets giving the new legislation and whatever changes (if any) may have been made, thus keeping it always up-to-date. Councillors will find it to be a valuable hand-book, more convenient than the Statutes. Price, \$1.50. Special rates to councils ordering five or more copies.
