## Shipbuilding

Shipyards, whether steel or wooden, cannot exist without ample power supply. The service of the B. C. Electric Railway Company to those yards in Vancouver, New Westminster and Victoria is proof of the efficiency of Central Station Electric Power Service.

Whatever industry you contemplate establishing, it will pay you to consider our Electric Power Service. Our rates compare favorably with the lowest on the continent.

Let us give you quotations and advise you on your plans. No obligation.

## SHORT MEN'S SUITS

**\$35**

Any man who is shorter than the average height cannot expect to be properly fitted with ordinary Suits. He requires clothes specially designed for his particular type of figure.

We carry a well assorted stock of Suits for men of irregular measurements, and are offering some excellent values for short men at \$35.00.

Other lines of Suits for shorter men are from \$43 to \$60.
