
ABSTRACT

The report *China: Guidelines for Canadian Fish Exporters 1994* provides an overview of the complete Chinese market for fish and seafood products, including marketing information on various aspects of the Chinese economy and factors influencing fisheries imports into that market. Other information in the report includes: basic data; the China seafood market in brief; country information; consumption habits; the domestic Chinese fishing industry; distribution; market access; documentation; trade contacts; importers/distributors/users; transportation; and statistics.
