

**III. GATT RIGHTS**

- A. Except as hereinafter provided, the Parties retain their respective rights under the General Agreement on Tariffs and Trade (GATT). In particular, Canada retains its right to apply measures justifiable under Articles III or XX of the GATT. Except for such measures, Canada shall not apply any new measures that would nullify or impair the annual access provided for in this Agreement.
- B. This Agreement and its terms are without prejudice to the legal rights or obligations of either Party, and shall not be construed as indicating that Canada's broiler hatching eggs and chick import controls or annual access levels therefor are consistent or inconsistent with the GATT. However, prior to the effective date of termination in accordance with Paragraph V, the U.S. shall not challenge the consistency with the GATT of Canada's broiler hatching eggs and chicks import controls and annual access levels therefor.

**IV. CONSULTATIONS**

The Parties shall consult regarding the terms of this Agreement or any matter affecting its operation, upon the request of either Party.

**V. TERMINATION**

This Agreement may be terminated by either Party for any reason at any time upon 180 days notice in writing.
