

ARTICLE IV

1. The Secretary General shall generally supervise the operation of the Services and may at any time arrange for the inspection of the Services, including any equipment used in connection therewith.

2. The Government of Iceland shall, at the request of the Secretary General, and to the extent practicable, furnish such reports on the operation of the Services as the Secretary General considers desirable.

3. The Secretary General shall, at the request of the Government of Iceland, provide, to the extent practicable, such advice as that Government may reasonably require in regard to the discharge of its obligations under this Agreement.

4. In the event of any failure by the Government of Iceland efficiently to operate and maintain any of the Services, there shall be consultation between that Government and the Secretary General for the purpose of agreeing upon remedial measures.

ARTICLE V

The total cost of the Services computed in accordance with Annexes II and III to this Agreement shall not, for any one calendar year, exceed 1,076,562 United States dollars. This limit may be increased by the Council either with the consent of all the Contracting Governments or as a result of the application of the provisions of Article VI.

ARTICLE VI

1. For the purpose only of establishing, operating and maintaining services which have not otherwise been provided for pursuant to this Agreement, the limit determined pursuant to the provisions of Article V may be increased by a stated amount with the consent of Contracting Governments responsible in the aggregate for not less than ninety per cent of the total assessments made under the provisions of paragraphs 2, 3, 4 and 5 of Article VII in respect of the last calendar year for which assessments have been made.

2. Subject to the provisions of Article II, any expenditure attributable to the services referred to in paragraph 1 of this Article, or any expenditure made possible under the provisions of paragraph 2 (a) of Article XIII as a result of the inclusion of the said services within this Agreement, shall be borne solely by the Contracting Governments so consenting, in shares having the same relative proportion to each other as the shares of those Governments in the total assessments for the relevant year, and no part of the Reserve Fund referred to in Article X not attributable to those services shall be used for purposes to which those Governments alone have consented.

ARTICLE VII

1. Subject to the provisions of Article V and paragraph 2 of Article VI, the Contracting Governments agree to share ninety-five per cent of the approved actual costs of the Services, as determined pursuant to the provisions of Article VIII, in proportion to the aeronautical benefit derived therefrom by each Contracting Government. Such proportion shall be determined for each Contracting Government in respect of each calendar year by the number of complete crossings performed in such year by its civil aircraft on routes between North America and Europe north of the 40th parallel North; provided that, for the purpose of computing the number of such crossings, flights between the following areas shall be taken into account as follows: Greenland
