

*Proceedings on Adjournment Motion*

behalf of the other Premiers. A copy of this communication has been forwarded to every Premier but it is not known at this time whether they have all been received, nor has there been an opportunity for response. It would

be inappropriate for me at this time to indicate the contents of that letter, but a response has been sent not only to Premier Bennett but to the other Premiers on whose behalf he wrote.

Motion agreed to and the House adjourned at 10.20 p.m.
