[English]

MEASURE TO AMEND

The House resumed from Monday, November 16 consideration of the motion of Mr. Blais that Bill C-91, an act to amend the Patent Act, to amend another act in consequence thereof and to provide for other related matters, be read the second time and referred to a legislative committee in the Departmental envelope.

The Acting Speaker (Mr. DeBlois): At the suspension of the debate, the hon. member for North Island—Powell River had nine minutes remaining in the debate.

Mr. Raymond Skelly (North Island—Powell River): Mr. Speaker, the debate continues on Bill C-91, which is legislation the Conservative government proposes to change the Patent Act, to permit international drug companies to maintain patents over their products for up to 20 years.
