

July 30th, 1924.

W. V. Howard, Esq.,
Bay View Hotel,
Ville Marie, Que.

My dear Howard:-

There is no difficulty about your getting into the United States, providing that you have a letter from Williams College.

As regards your intended wife it will be necessary for you either to bring her over here before you go, or to return from the United States for your wedding in Canada.

I hope this will give you the information you want and will be only too glad to be of any possible assistance.

Yours faithfully,

Wilfrid Bovey.
