

October 13th, 1930.

Mr. Geoffrey Evans, C.I.E.,
Principal,
The Imperial College of Tropical Agriculture,
Trinidad, B.W.I.

Upon my return to the University after some weeks' absence, I find your letter of September 7th, in which you enclose the copy of the Report on The Imperial College about which we were speaking when you were in Montreal.

If you will allow me, I shall keep the Report a little longer, until I have time to study it. I have a great accumulation of work here, and I am anxious to give the Report the attention it deserves.

Thank you very much for your kind invitation in the event of my being in your part of the world, but at present it is unlikely I shall be able to make the trip this season.

Cordially reciprocating your
good wishes,

I am,

Ever yours faithfully,

Principal.
