It is giving the very best of satisfaction everywhere, as is evident from the hundreds of letters received by the publishers, speaking of it in the highest of terms, a sample of which we give below.

The Editor of the "WESTERN SPORTSMAN AND LIVE STOCK NEWS," under date of Jan. 4, 1879, says of it: "It is a book that every owner of a horse should have, and no breeder of horses can afford to do without. It has thirty-five engravings illustrating positions assumed by sick horses, and gives treatment of diseases in such plain and comprehensive language as to be readily understood by any one of ordinary intelligence. We would not exchange it for any book on the horse and his diseases that we have ever seen, and we have read some books of the kind that cost ten dollars. It contains a large number of receipts, any one of which is worth double the price of the work."

DR. WM. H. HALL, Canandaigua, N. Y., under date of Dec. 3, 1878, says of it: "I have bought books from England that I paid five and ten dollars for, which I do not like as well as I do yours. It is different from anything I ever saw."

ELIJAH W. STEARNS, of Bedford, Mass., in a letter of recent date, says of it: "I have examined it with care. There are two wonders respecting it: first, that any book, however voluminous, containing so much practical common sense matter, of sterling value, could be written; second, that it could be condensed into so small compass. The book is ALL GOLD, NO DROSS. By the aid of it any person of ordinary intelligence can doctor his own horse."
