That "they ought thoroughly to be received and believed."

Why was it necessary to say this ?

Because there were persons and sects who objected to them, either in whole or in part.

What reason does the Article give why we should receive and believe them thus thoroughly ?

"Because they may be proved by most certain warrants of Holy Scripture."

Who determines that ?

The Church, as "having authority in controversies of faith."

How does the Church carry out this declaration concerning the Creeds ?

By requiring the profession of the Apostles' Creed from every person, first before Baptism, and secondly before Confirmation ; and by appointing them to be rehearsed by the congregation in divine worship.
