We purpose selling only to *really responsible* merchants. As the matter now stands, a substantial tax is levied on responsible people to liquidate debts contracted by irresponsible traders. To obviate this, and effect the foregoing purpose, our prices will be at such rates as will give our customers a substantial advantage. Our Stock is all new, and selected from the leading styles in the English, American and Canadian markets.

Commercial Summary.

— Discoveries of gold in Madoc are attract-  
ing increased interest.

— A glass factory; it is reported, is about to  
be started in Toronto.

— It is sought to suppress Sunday travel on  
the Hamilton and Dundas street railway.

— Electric light is said to be well adapted  
for use as the headlight of locomotives.

— We read about fall wheat twenty inches  
high in the fields of a Stanley farmer.

— The New York *Bulletin*, a good authority  
on commercial matters, predicts higher prices  
for cotton goods.

— Work is now progressing on the building  
of the Provincial Exhibition to be held at Hal-  
fax in October.

— Sixteen head of cattle from Fullarton re-  
cently sold for the English market averaged in  
weight 1,400 pounds.

— A bolt and screw factory, with iron supplies  
from the Hamilton rolling mills, is to be started  
at Merriton.
