THREE OUT OF FOUR FROM THE BISONS

Leafs Took Opening Game Yesterday, But Lost Second by Same Margin.

The Leafs split yesterday's double bill with the Bisons, winning the first game 3 to 2 and dropping the second 2 to 1. It was the farewell meeting of the clubs, and with just a break in the luck the Clymer crew would have made a clean sweep. Williams was nipped off third in the second game, and would have scored on the pext play. sweep. Williams was nipped off third in the second game, and would have scored en the next play.

Williams drove the ball into the bay to win the first game, and his triple scored the Leafs run in the second game.

The Leafs staged a thrilling finish to grab the first one 3 to 2. The Bisons were away flying with a run in the first inning, and it was not until the 7th that the locals caught them.

Kocher popped out here, but dogged plugging got Wares to first, when Keating booted his roller and he showed another burst of speed by going to third on Ball's single back of third. Luque's sacrifice fly let him in.

Buffalo scored another in the 8th, but the Leafs evened it up in their half. Rath was limping badly when he was waked and went to second on Gilbert's rap. Trout was put in to run for Rath. Trout slid in home nicely under Onslow on Graham's poke. Kocher messed up a chance when Gilbert dodged back to third on the catcher's infield rap. Kocher kept on running, and it resulted in Graham and Kocher being tagged between bases by Gilhooley.

The 9th was thrilling. Wares walked. Ball was hit. Luque bunted to first, forcing Wares at third. Williams hoisted clean into the bay in right, scoring Ball from second. with the winning run.

M. McLOUGHLIN BEATEN BY YOUNG TENNIS CRACK

FOREST HILLS, N.Y., Sept. 7.—A new national tennis champion was crowned here today when Wm. M. Johnston of San Francisco defeated Maurice E. McLoughlin, also of the Golden Gate City, in a grueling four-set match for the single title. single title.

The 19-year-old Californian dashed the hopes of his more famous internationalist by winning at 1-6, 6-0, 7-5, 10-8, and thus preventing, for another year at least, the former champion's hope of clinching permanent possession of the huge silver all-comers' bowl.

With two legs already to his credit on the trophy, McLoughlin made a sensational battle to take it with him for all time, but was unable to compete with his younger opponent.

tional battle to take it with him for all time, but was unable to compete with his younger opponent.

The four-set match ran the gamut from mediocre to the tennis of the master. Both victor and vanquished had their flashes of brilliant and poor play, but at all times the pace and strain was terrific, and in the long run Johnston's youth served him better than the greater experience of McLoughlin.

Once Johnston got going the whole complexion of the match was changed. McLoughlin took the first set easily, but, little by little, the younger man solved the tactics and strokes of the old master, and increasing his speed and control, beat McLoughlin in almost every department of play. Despite Johnston's wavering and uncertain start he outpointed McLoughlin four service aces to three, 53 placement shots to 51, restricted his nets to 37 as against McLoughlin's 42, and his outs 26 to 38. In double faults alone did he exceed the former champion's error; the records being 6 to 3 in this Japartment.
