

The Captain of Our Salvation.

ENOUGH to feel
I' the vortex of this passionate strife
The strong appeal,
Self-sacrifice is highest life
Noblest ideal.

He hoped to see
Self-sacrifice the finest sense
Of Virtue, He,
The Christ of Bible documents,
Made wondrous plea.

His God-like spell,
His teaching, peerless argument,
Who can excell!
The Christ of Sermon on the Mount,
And parable.
