

# The Water Works Betterments

City Hall, Mayor's Office,

Quebec, December 22d., 1913.

Mr Editor,

A few days ago, I have taken the liberty to furnish you with a financial statement of the City, concerning the increase of the debt as well as the increase of revenue, and the divers loans made since I have the honour to be at the head of the civic administration.

I think it will be interesting for the public to know what improvement have been made with his money. Therefore, I send you a report of the works executed by the Waterworks Departments during the four last years. I beg of you, Mr. Editor, to be kind enough to publish it in the interest of the public.

In a few days, I shall hand you a report of the operations of the Road and Municipal Buildings department, and of the Fire Brigade.

I have the honour to be, Sir,

Your obedient servant,

NAP. DROUIN.

*Mayor of Quebec.*
