

Counter-irritants equalize the circulation of the blood.

## A REPUBLICATION OF GOOD ADVICE.

**TRY IT TO-NIGHT.**—"You will Sleep Well and be Better in the Morning." You have caught cold! another cough; can't raise the phlegm; irritation of the throat; a heavy pressure on one of the lungs; breath short; if you could only raise up that matter that sticks so tight, you would feel easy; a sharp pain every once in a while troubles you near the heart and sometimes pains in the shoulders and back. As soon as you lie down you have a fit of coughing; this is the experience of thousands at this minute. Now for relief, prompt, quick, immediate relief and assistance: Take at once a dessert-spoonful of Sarsaparillian Resolvent—ah, yes, the obstinate phlegm is loosened, good! that is right, up with it, it relieves you; well, you feel much easier; now, then, rub the chest well for five minutes with RADWAY'S READY RELIEF; very good; the skin becomes reddened; you begin to perspire freely, and the soreness and pain are gone; now rub the back and shoulders with READY RELIEF a few minutes; pain gone; good! you feel like sleeping; very well, take twenty drops of READY RELIEF in some water—pleasant, stimulating, and tonic; now take six of RADWAY'S PILLS—then go to sleep. Morning you look fresh, pleasant; no cough; have had a good, thorough operation, feel like eating a good hearty breakfast; no more cold, no sore throat or difficult expectoration. This treatment is simple, and sure to cure the worst colds between bed-time and breakfast. Try it to-night, all who have a cough from catching cold. Obstinate chronic coughs will in a few days be cured by this treatment.

**CONSUMPTIVES, LOOK TO IT**—New lungs cannot be made, but the Sarsaparillian Resolvent will stop the decay and waste now going on, and repair the waste with new material, made from pure, strong blood. It will stop your cough, give you strength, and keep you alive.

### A Severe Sore Throat Cured by Radway's Ready Relief.

**DR. RADWAY**—*Dear Sir*: I write to inform you that I was attacked with a severe sore throat, and before I used one-third of a bottle of READY RELIEF my throat was entirely cured; I am never to be without your READY RELIEF.  
Yours respectfully, D. D. HAYWOOD.

### Practicing with R. R. Remedies.

ST. HYACINTHE, P. Q., CANADA, August 28, 1881.

**TO DR. R. G. RADWAY**—*Dear Sir*: I account it little sacrifice, indeed, to allow you to publish my letter with regard to Scrofula, after the cures I have been able to effect by following scrupulously your system of treatment.

I again affirm what I spoke of in my last note, and I could recount to you several other cases of different maladies being cured by your system, though the one of Scrofula is by far the most remarkable, and was, in fact, looked upon by many as nothing short of a miracle.

The secret of the high reputation I hold here as a clever physician, is the following your system of medicine, and in justice I lay my laurels at your feet. I practiced in the north of Scotland for nearly fifteen years by the old system, and did not gain one-half of the confidence and love of the people that I have gained here in these short six years, while following the R. R. system.

I am your obedient servant, RANDOLPH MCINTYRE, M. D.

### Chronic Diarrhoea of Five Years' Standing.

RICHMOND, VA., Sept. 22, 1884.

**TO DR. RADWAY & CO.**: Please send me a copy of your "False and True," as I have been down sick for five years with what the doctors call Chronic Diarrhoea, under their treatment. All the while others pronounced my disease incurable. On looking over your Almanac last March, reading your medicine was good for chronic diseases, I bought your medicine; have taken two bottles of the Sarsaparillian with two boxes of Pills, the Ready Relief when needed, and I now think I am a well woman.

Your humble servant,  
N. WALLINGTON.

### Bilious Fever Cured.

**DR. RADWAY**—*Sir*: I am just beginning to find out the good of your medicine, and am doing great good with it. I have just recovered from a severe attack of bilious fever, after being under the doctor's care near two weeks and got no better. My mother was with me; she said: "Now I want you to try Dr. Radway's Relief and Pills." So I put aside the doctor's powders and other stuff he had left, and took a dose of your Pills; followed that with Relief.

There are four signs of inflammation—redness, swelling, heat and pain.

Paroxysms of fever come on with a chill, and go off with a sweat.

Old age is more subject to lingering, but youth to acute diseases.
