WINNIPEG'S MOST SUCCESSFUL MEET.

More Championships for McLeod and McCarthy—Riddell of Winnipeg Scores Decisive Victories Over Moore—Boake Wins Handicap—Fast Exhibitions.

Winnipeg, Sept. 10.—The weather for the final day of the postponed races was ideal. The wind was a little fresh down the back stretch, but not strong enough to materially interfere with the riders, and towards the end of the racing died down altogether. The track was in splendid shape and the attendance good. Mr. Cairns was again selected as starter.

The first race was the one mile, 2.40 class, amateur, run in heats. The first was won by Isbister of Brandon, with Hanney, also of Brandon, second, in 2.27 2-5. The second heat went to Sprague, with Wilson second, both of Winnipeg; time 2.24. The final was nothing but a loaf. The starters had been warned by the referee and starter that it must be ridden within the 2.40 mark, but on the back turn all the riders slowed down to a snail pace, waiting for some one to do the pacing. They bucked up on the last lap and finished in 2.46. The race was disallowed, however. At first it was decided not to run it over again, but the referee finally allowed them to run it off after the other events, and it was won by Sprague, Winnipeg, with Wilson, Winnipeg, second, in 2.06 2-5.

A very interesting race was the half-mile Dominion professional championship, which was paced by Boake and Greatrix. It was very close, and was won by McLeod of everywhere in 1.06 2-5, with Loughead, Barnis, second and McCarthy, Toronto, third.

In the five-mile amateur Dominion championship there were two one-mile heats run, those qualifying being eligible for the five-mile run. Moore, Toronto, won the first heat in 2.13 2-5, with Boswell, Winnipeg, second and Riddle of Winnipeg qualifying for making the pace. The second heat resulted in a win for Sprague, Winnipeg, with Cousinrat, Montreal, a close second. McCulloch also qualified for pacing. Time 2.15. The final was very exciting. On the start Riddle shot ahead of the tandem, lost his place and had to drop back to last place. He stayed there till the ninth lap, when he made a leap and broke away from the rest. Cousinrat, who was done, dropping out right after. Moore closed up on Riddle a little, but on the stretch Riddle put on a big burst of speed and distanced the bunch. Moore, Toronto, coming in about 20 yards behind, with Boswell, Winnipeg, a good third. Time 11.24 2-5. Times for miles were: First 2.10, second 2.25, third 2.13, fourth 2.25, fifth 2.10 2-5.

One of the prettiest races of the meet was the five-mile Dominion championship, professional. Davidson, McCarthy and Gewatrix of Toronto, Tuff of Montreal, Lougheed of Sarnia, Carman of Morrisburg and McLeod of Windsor started. A false start was made, but the referee brought them back. The pace at which they went the first lap was terrific. Loughead only stayed with the game as far as the mile and a quarter and then dropped out. By the time they had got to the mile and three-quarters only McLeod and McCarthy were left in it. The pacemakers then eased up a little then and settled down. McCarthy held the tandem right along the stretch, McCarthy winning by a few feet. The time was 11.14. First mile done in 2.21, second in 2.03, third 2.11, fourth 2.15, fifth 2.04.

The two-mile Dominion tandem amateur championship, paced by a triplet, was a very good race. Barnes and Moore got the pole, with Riddle and Boswell, Winnipeg, next to them. Riddle and Boswell caught the triplet at the start, with McCulloch and Sprague next to them. They staid in that position till the third lap, when Barnes and Moore pulled out ahead after the trio dropped. On the stretch Riddle and Boswell came down like a whirlwind with McCulloch and Sprague close behind, both Winnipeg teams beating Moore and Barnes. A blanket covered all of them at the finish. Time 4.27 2-5.

McLeod rode an exhibition mile. He did the first half in 58½ seconds and the mile in 2.01 3-5.

In the two-mile handicap professional Boake of Toronto won with a handicap of 200 yards; Carman of Morrisburg, 110 yards, came next and Greatrix, Toronto, 200 yards, third. Time 4.31 1-5. The scratch men, McCarthy and McLeod, were not in it, being held a lap behind at the finish.

The one mile handicap, amateur, was won by McCulloch, Winnipeg, with 50 yards in 2.11, with Sprague, Winnipeg, 50 yards, second, and Carper, Winnipeg, 90 yards, third. Moore and Barnes started scratch.

McCarthy went a paced mile for a record with a flying start. He was paced by Nelson and Boake for the first half, which he covered in 58, and by Carman and Greatrix for the last half, covering the mile in 1.54 4-5.

A special arranged race was put on between Riddie and Moore. Both riders had expressed their anxiety to get at each other and were given a chance. When the event was first called early in the afternoon Moore sent word that he was sick and could not appear in any more races. But as Riddle was preparing to ride over the course alone, Moore made his appearance. Moore got the pole, but gave it up to Riddle, considering the latter had captured the handicap just previous, thinking he would not have to ride any more races. Riddle made the pace from the start and did the first half in 59. On the home stretch he ran clean away from Moore, beating the latter by about 25 yards in 2 minutes and three-fifths of a second. His victory was extremely popular, Moore's plea of sickness being looked on by the spectators as a mere bluff.

The last race called was the team race for W., G. & R. trophy. This was a walkaway for the Rover team of Winnipeg, who did it in 7.45 3-5. The race was paced by Riddle.

This ended a most successful day's racing. The whole meet was pulled off without any unpleasant features occurring at the track, and has been a success, both financially and otherwise. The rain during the early part of the week and before Monday kept a great many away, but the assets will more than cover all liabilities. All the eastern men leave to-morrow morning for the east.

Sigma Wins the 22-Foot Class Race.

Saturday afternoon the Queen City Yacht Club's 22-foot class raced for the Dodd Cup. There were four starters, Mr. L. Kenny's Widgeon, Commodore Devain Marlin's yacht Enid, Winona, owned by Mr. J. A. Brown, and Fanetta, owned by Mr. McGill. Fanetta went over the starting line first, with Winona following. Widgeon crossed the line a second or so later, and Enid came last.

The course was from a buoy anchored off the club house, over to Centre Island and back, then out the Western gap and around the Island, finishing off the club house.

Enid won the cup, crossing the finishing line at 5.46.27. Widgeon finished at 5.52.58. Fanetta at 5.54.20, and Winona some time after 6 o'clock.

At 3 o'clock Saturday afternoon six starters went over the line in the race for the skiff class of the Royal Canadian Yacht Club. They were Mr. R. T. Cuff's Sigma, Mr. E. Wedd's Two Step, Mr. G. McMurrich's Queen Jess, Mr. W. H. Parson's Tortoise II., Mr. G. Frank's Driftwood, and Mr. C. H. Wilson's Hilaria. The light breeze from the southward gave ideal skiff sailing weather, and the race was won by Sigma, finishing at 4.41.20. Two Step came next at 4.45.50, and Queen Jess was third at 4.51.42. Tortoise II., Driftwood and Hilaria was the order in which the others finished.

The Hounds' First Meet.

The first meet this season of the hounds, in conection with the Country and Hunt Club, took place Saturday afternoon in the Queen's Park at 3 o'clock. Some 20 mounts put in an appearance, and quite a crowd of spectators were there to see them. Among those in the saddle were: Mr. George Beardmore, on Cockatoo; Miss Beardmore, on Lassie; Dr. Smith, on Golden; Dr. Campbell, on Eppleworth; Mr. W. Beardmore, on Dolly; Mr. Church, on Shamrock; Mr. James Carruthers, on Ivanhoe; Mr. Phillips, on Brian Boru; Mrs. Phillips, on Ravenswing; Mr. Phelan, on Irvington; Mr. Murray Hendrie, on a new bay; Miss Hendrie, on Valiant; Mr. Loudon, on Glencoe; Mr. Manning, on Rufus; Mr. Maclean, on Jodan; Mr. G. Carruthers, on Pinto; Mr. Marshall, on Henrietta; Mr. Davies, jr., on Garter King; Mr. Elmsley, on Graydon; Major Hamilton, on Shamrock; Dr. Peters, on Verdict; Mr. Doane, on Spain; Mr. Reinhardt, on Romancer; Mr. Douglas, on Hetty. The run was from the hill near the Austin mansion, away north and west, and then east to Glen Grove; thence across to Yonge, through the bush to the first concession east of Yonge, with a swing round west and south to Davisville. The going was good, rather hard, and the scent indifferent, owing to the dry ground. The weather was delightful, and all enjoyed the first go of the year. The hounds did fairly good work and seem to be ready for the fall campaign. Over 15 of the riders finished, Miss Hendrie among them. There will be a run every Tuesday and Saturday.

Jockey Club Rulings.

New York, Sept. 11.—A meeting of the stewards of the Jockey Club was held at the Sheepshead Bay race course yesterday. An application was received from the Pimlico Driving Club for fall racing dates and laid over for future action. The applications of Jockeys William Houlahan and Vernon Asburn for reinstatement were denied after further investigation. The stewards restored William Cheriton and James Bennett, owner and trainer respectively of the horse Our Johnny, to full privileges under the rules, except that the refusal of the entry of the horse will be continued on all Jockey Club courses. George B. Patterson and J. Coley Thompson were restored to good standing, but the entry of the horse Burlesque will not hereafter be received.

The Dukes would like to get a match for Saturday next, Sept. 17. Arcties preferred. Address F. Sharpe, 221 Beverley-street.

The Resolutes won a silver cupon Saturday by defeating the Arcties by the following score:

	R.	H.	E.

A DRAW AT ROSEDALE.

Torontos and Nationals Tally Four Games Each.

A Disappointed Gathering of Fifteen Hundred People—The Home Men Virtually Throw the Match Away—After Being Two Games Ahead They Unaccountably Go to Pieces.

The 1500 people who turned out on Saturday to see La Nationale lacrosse team on their first appearance here since they were admitted to the big league were a very disappointed lot, as they turned their steps homeward at dusk Saturday. There were long waits at both ends, and another in the middle of the game, and, after waiting for more than three hours, the result was a tie, which will most likely be played off in Montreal.

The Torontos wasted half and hour before the game started kicking over the referee (Mr. Alf Beckingham of Montreal), who had been appointed by the council of the league at a late hour on Friday night, and it was 3.30 when the game started.

The play in the first part was fast and clean, the Torontos having the best of it. At the end of the sixth game the score stood 4 to 2 in their favor, and if they had used a little judgment they would easily have won the match, but they tired at the finish, and with the assistance of the referee, who ruled Griffith and Murphy off in the eighth game, and then put Peaker off for no apparent cause, his friends, the Frenchmen, were enabled to score, thus making the match a draw.

From the start of the first game the National home seemed to be afraid of the heavy looking defence of the Torontos, and were never dangerous. McVey scored in 10 minutes on a hot shot from Nolan, which Foley stopped, but didn't have time to pass out.

In the second game Gamble accidentally cut Brennan's head, and the game was stopped while the wound was stitched up. After the face the ball went down to the Toronto's flags, and Caldwell put it through. First score for the Nationals in three minutes.

In the third game the Nationals looked dangerous for a time, but Stewart relieved, and, after a pretty piece of combination, McVey tallied another for Toronto in three minutes. The Nationals disputed the game and the referee removed Mr. Ross from his position as umpire. After a half-hour had been wasted, Mr. P. Grimes, vice-president of the Young Capitals, was chosen in his place. In the fourth game there was a lot of end to end play, and it was anyone's game until after 9½ minutes' play, when Nolan got the ball behind the flags, carried it around and passed to McVey. Toronto was now ahead.

The Nationals had things pretty much their own way in the fifth, Walsh scoring in three minutes on a pass from White.

In the sixth the play was very loose, Moran scoring on a pass from Peaker.

The seventh went to the Nationals in 2½ minutes. Allan stopped a hot shot from White and Walsh scooped the ball through.

The eighth game was a long and loose one. McVey missed a chance to clinch the match, and after Griffith and Murphy had been ruled off for fighting, and Peaker had been sent to the fence, Cavanagh scored, tieing the tally, in 16 minutes.

After a long conference it was decided to pay till one team scored, but the referee called the game after five minutes' play on account of darkness.

The teams were:

Toronto (4)—Allan, goal; Yorke, point; Grimes, cover; Griffith, Gamble, Stewart, defence field; Fred Moran, centre; Peaker, Frank Moran, Burns, home field; McVey, outside; Nolan, inside home; McCullough, captain.

Nationals (4)—Foley, goal; Valois, point; Murphy, cover; Cavanagh, Alf. Valois, C. Marcelain, defence field; Brown, centre; Caldwell, McKeown, White, home field; Brennan, outside; Walsh, inside home; Brophy, captain.

The officials were. Alf. Beckingham, Montreal, referee; J. Ross and J. McConaghy, umpires; Messrs. Lamont, Toronto, and Quinn, Montreal, timekeepers.

Notes of the Game.

Fred Moran, late of the Tecumseh-Elms, made his first appearance on the Toronto team on Saturday. He did not show up as prominently as he will when the rest of the team get acquainted with his style of play. He and his brother Frank combined nicely and executed several pretty pieces of play.

White, Brennan and Walsh played a hard and effective game, and against an ordinary defence would easily have won the match.

Allan went through the entire National home with the ball in the eighth, and got a great cheer from the crowd.

Murphy, Cavanagh and Joe Valois are a hard trio to handle, and, with Marcelain, are second only to the Toronto defence.

Murphy, the big National defence man, may be able to fight, but found he had bitten off more than he could chew when he tackled Griffith, for after starting the fight he quit before the referee could blow the whistle.

Burns and Frank Moran, as usual, played gilt-edged lacrosse, and, with Allan and Griffith, are the favorites of the Toronto public.

Peaker played the strongest game he has put up this season. His running, checking and combination work even surpassed his old reputation.

Gamble surprised his old team mates from Montreal by playing rings around every man in his territory.

Griffith, Grimes and Yorke had the Montrealers' home badly frightened. They took no chances of getting the body from any of these three Toronto boys.

Foley has had a shave since his appearance here last, but this did not interfere with his usual effectiveness in goal.

Montreal Beats Cornwall.

Shamrocks Beat Capitals.

Montreal, Sept. 11.—The Capitals were defeated in the senior championship series on Saturday by five games to three. The match was very one-sided. The Capitals did not play with their usual vim and their combination work was not up to their usual form. The Shamrocks took the first two games in quick order. In the third game Westwick got the ball and by a swift shot scored the game for the Capitals. In the sixth game Currie had his head badly cut by Starrs. In the seventh game both Starrs and Binks were disabled and Hayes and Henry were taken off the Shamrocks. Currie damaged his arm in scoring the game and Ralph was taken off the Capitals, leaving only nine men a side. The teams were:

Capitals (3)—Devine, Shea, Pulford, Ralph, Robertson, Binks, Starrs, Westwick, E Murphy, P Murphy, Durkin, Donaldson.

Galt Knocked Out St. Mary's.

Galt, Sept. 10.—The second of the semi-final games between Galt and St. Mary's Lacrosse Clubs was played here to-day, and resulted in a Waterloo in favor of the home team. St. Mary's went into the game with a lead of six games to their credit, but the home team went to work, and before time was called had scored ten games to St. Mary's two, thus winning the semi-final by two goals. St. Mary's had a good team, but the lightning combination of the Galt boys bewildered the visitors and proved to the Galtonians that Galt will be in the finals with every prospect of winning the junior championship of the C.L.A. P. G. Britton of Stouffville performed the game to the satisfaction of everyone and showed that with him at least fouls and rough play do not go. The teams were as follows:

Galt (10)—Brusso, Allen, Pringle, Laidlaw, Hall, Junk, Campbell, Smith, Clark, Weber, Gillard, Stewart.

St. Mary's (2)—Farr, Hocking, Smith, Pearson, Meidrum, Vanderby, Jeggerson, Sweet, Copland, A Farr, Spicer, Stanley.

Senior League Record.

The senior lacrosse schedule is almost played out, there being only two protested games to be played by Nationals, one with the Capitals and the other with the Shamrocks. The games were ordered to be played over on account of the Nationals' grounds. Toronto and Cornwall are through for the season, the former finishing next to last and Cornwall in second place. The record:

ANDERSON BEAT BOYS.

Magnificent Match Saturday Afternoon Over Toronto Athletic Club Nets.

"The best exhibition of tennis ever given by Canadian players." This was the universal opinion of those who were fortunate enough to witness the magnificent match on Saturday between Boys, the Canadian champion, and Anderson, the T. A.C. crack. The steady and varied practice which the latter has had for several weeks and the advantage of playing on courts which he thoroughly knows were circumstances bound to tell in Anderson's favor and against Boys, but account should also be taken of the fact that Anderson has a hacking cough. The splendid game in the morning between McMaster and Anderson proved the latter to be in fine form. The appended analysis of the play shows Boys to have had the ball under better control, and to be the more accurate player, but Anderson's powers were manifest when he had an opportunity to smash. In the first set one of the finest rallies ever seen took place in the ninth game, the ball traveling to and fro tremendously fast, no less than twenty-five times, Boys ultimately winning the ace on a net return. The feature of the second set was the clever return by Boys of some of Anderson's smashes. At one time in the fourth set it looked as though a fifth set would be necessary, Boys being at 5 games to 3 and the score 30 all in the ninth, but Anderson won that game and the next three and the match. Deuce was called twenty-four times in all. The game was scored by Mr. Langton of Oakville, who made a model umpire.

Forbes Won on Foul.

New York, Sept. 10.—At the Pelican Athletic Club in Brooklyn to-night Harry Forbes, the Chicago featherweight, met Jack Ward of Newark in what was scheduled to be a 20-round bout at 115 pounds. The agreement was to break clean, with no striking in the clinches and breakaways. Forbes forced the fighting from the beginning in his usual fast style, his speed being too much for Ward. Forbes landed five times to Ward's once and used both hands dexterously and effectively. Forbes made no complaint of Ward's foul fighting. In the fifth round Forbes accidentally hit Ward in a clinch and Ward appealed to the referee, Frank Herald. Herald paid no attention to Ward. In the sixth round Ward fouled Forbes repeatedly and, at last, when the referee tried to break the men on a clinch, Ward reached across the referee's arms and hit Forbes several times. The referee at once disqualified Ward, sent him to his corner and awarded the bout to Forbes.

Four Straights for Providence.

Providence, Sept. 10—Providence made it four straight with the Springfields to-day in the last game on the grounds for this season. The game was called in the middle of the ninth innings on account of darkness caused by a thunderstorm. Score:
