TORONTO A BLAZE OF COLOR

Continued From Page 1, tractive to them in a commercial sense, yet never lost in their affection—will begin to show fruit to-morrow.

Every day for the last two weeks has brought individual wanderers, glad to get home for even a brief time. To-morrow will witness them

"In the gladness of the morning, In the light come streaming home." Many buildings on down-town streets are beginning to don their robes of gala attire, and with the decorations that will be added during to-day the city should look her prettiest to-morrow.

Arrival of Contingents.

Arrival of Contingents.

The reception of arriving contingents will be a big feature of the first day's festivities. Committees will be on hand to extend a hand of cordial welcome to all the arrivals, while the strains of "Home, "Sweet Home," and patriotic airs will make bosoms swell, eyes grow bedimmed and then the brighter, and step the more clastic.

The steamer Toronto will bring over the home comers from Rochester, (N.Y. They will be greeted by the Public School Cadets Band and parade by Yonge and King-street to the Arlington Hotel, their headquarters. A detachment of the Søns of St. George, under command of Capt. A. S. Howard, will join the parade, after which they will proceed to Massey Hall.

Chicago, Detroit and Buffalo.

The Old Boys and Girls from Chicago will be met at the Union Station and escorted to the King Edward, headed by the G.G.B-G. Band. The route will be via York and Kingstreets.

The Foresters' Trumpet Band will head the home comers from Detroit, who will march from the Union Station to the Iroquois.

The Buffalo contingent will not arrive until Friday, and will establish themselves at the Queen's.

There are numerous towns and counties who will send their groups of home comers, and committees will be waiting at station and wharf to bid them welcome. Mr. Houston, secretary of the committee, has received letters from all parts of the continent, and from beyond it, assuring him of the writer's intention to be on hand.

The official program of the festival was issued yesterday, and is a very neat and praisewortny souvenir. It is in the form of an eight-page booklet, with a heautifuly tinted maple leaf on each and a photographic reproduction with an appropriate verse beneath.

STORE CLOSED DOMINION DAY.

ALL ROADS LEAD TO SIMPSON'S.

This store extends the heartiest kind of a welcome to the Old Boys and the wives, sisters, daughters, mothers and sweethearts of Toronto's Old Boys who come back to renew their association with the old home city for a few days. This store, situated in the very heart of the city, cannot, we hope, but stand in a corner of the hearts of all Toronto citizens as one of the typical and most familiar landmarks of the town. It has occupied its present position in the present building on the corner of Queen and Yonge Sts. for many years now, but it has been growing and expanding all the time, so that Torontonians who have been away for only a comparatively short time will be astonished at the change. We want to assure our home-coming friends that all the added facilities which we have now at our command for the convenience of our customers are freely at their disposal. We will have a place upstairs near our restaurant (the largest, brightest and most convenient for shoppers in the city) where visitors may check their hand baggage and parcels, find out all about cars, restaurant (the largest, brightest and most convenient for snoppers in the city) where visitors may check their hand bodts, streets and all those details which one loses track of after an absence from a city for any length of time.
