REAL YOUTH.

When you see a man old enough to be a grandfather pick up a heavy trunk and march off with it on his shoulder you realize that a man may be young at almost any age if his blood contains the elements that youth is made of. That is the sort of youth that Dr. Pierce's Golden Medical Discovery puts into a man's veins. It gives him digestive power; it turns his food into good nourishing blood; it enables the liver to keep that blood pure and free from bilious poisons. It fills him with muscular strength and vitality. It makes him in the truest sense young again, and keeps him so.

"I am pretty well now, for a man of sixty-three years," says Mr. John Larson of Ashby, Grant Co., Minn. "I had been very badly troubled for many years with dyspepsia, also nasal catarrh, and got so bad and weak that I could not work."

"I could hardly eat anything without vomiting, had a pain in the stomach and a burning sensation coming into the throat. I took Dr. Pierce's Golden Medical Discovery and Pleasant Pellets, and can truly say these medicines have helped me wonderfully. I commenced taking them in the fall and used them all winter. I took fifteen bottles of the 'Discovery' and six of the 'Pellets' according to directions, and must say that both are good honest medicines."

"I improved right along from the very beginning, just stopped taking medicine in the latter part of May and then felt as well as ever in my life. I can eat all kinds of food and it doesn't cause me any pain in the stomach. I always did before I took Dr. Pierce's medicines. I can cheerfully say to the public that they need not hesitate in taking Dr. Pierce's Golden Medical Discovery for dyspepsia. It will eradicate and cure the disease if anything will."

If you are in poor health write to Dr. R. V. Pierce, of Buffalo, N. Y. It will cost you nothing whatever for his advice although he is at the very head of his profession in the treatment of obstinate chronic diseases.

The clerical of the different churches gave addresses; also J. H. Fairbank and John Fraser, M.P. The children went through some very pretty drills and sang a number of patriotic songs. The first Empire Day will be long remembered in the minds of the little tots who took part in the exercises of the day.

NEWS OF MR. WIDEMAN

One of the Most Remarkable Cases on Record.

Mr. Wideman's Health Has Shown No Disposition to Break Down—All Further Anxiety Relieved—Dodd's Kidney Pills Insure His Life.

Dutton, Ont., May 24.—Some time ago we published an account of Mr. A. N. Wideman, of Nottawanga township, and of his rescue from a painful death. It will be remembered that Mr. Wideman was crippled, both legs being paralyzed. His body was swollen and sores had developed from continual lying in bed. One of these was poulticed 400 times before it healed. His condition was so distressing that he could not change his position. His legs were twisted out of shape, his toes pointing inwards. His weight decreased by 40 pounds. This state continued for five months.

The doctor tried all for inflammatory rheumatism but failed to improve his condition. Indeed, to the contrary, their medicine made his teeth break off. He was finally given up by the doctors and all his friends but one to die. This friend was the friend indeed.

Mrs. John Boyer induced him to take Dodd's Kidney Pills. From the first he improved. He simply had to improve. Rheumatism is caused by impure blood. Impure blood is caused by defective kidneys failing to strain it. Dodd's Kidney Pills get at the root of the disease by making the kidneys healthy.

Well, this was some months ago. Mr. Wideman is still in good health. A great deal of anxiety was felt by his friends as to whether the cure would be permanent. The disease has shown no inclination to return so far, and we may add the impression is that as long as Mr. Wideman keeps his kidneys working properly it will not recur. This case has caused widespread comment in and about Dutton, and has made Dodd's Kidney Pills a household word.

Dodd's Kidney Pills are for sale by all druggists, at 50 cents a box, six boxes \$2.50, or sent, on receipt of price, by the Dadds Medicine Co., Limited, Toronto, Ont.
