Sir Thomas White Corrects Statement Claimed Made to Prov. Premiers.

Ottawa, Nov. 27.—Sir Thomas White, minister of finance, declares this morning that the statements said to have been made by him to the provincial premiers to the effect that additional revenue to the amount of \$100,000,000 would have to be raised by the Federal Government through taxation during the coming year is without foundation. The minister did say that compared with 1914, the year before the war, the expenditure of the Dominion during coming year on account of added interest on the national debt and on account of pensions would be a hundred millions higher. Meantime during each year since the war there had been added taxation, with the result that this year the total revenue will reach \$300,000,000 as compared with about half that amount for 1914.

A special committee was appointed by No. 1 committee last night to inquire into the housing stituation in the city. The chamber of commerce and the trades and labor council will also be asked to co-operate with the committee in the preliminary investigation. It is pointed out that the need of medium-sized houses in the city is great at the present time. With the return of the soldiers this will be increased.

The committee is already getting to work and expects to have something to report at the meeting of the council on Monday evening next. The plan as tentatively outlined is to limit the cost of the houses to \$2,500. Loans will be made to complete the building, but the owner must put in a sertain percentage of the cost in cash as well as own the lot on which the house is to be built.

Interned Aliens In Canada Clamoring For Their Liberty

Government Will Hold Them Until Peace Treaty Is

Ottawa, Nov. 27.—Twenty-five hundred interned aliens in Canada are clamoring at the gates and wire fences that inclose them and asking to get out. Many of them want to go home to Germany and Austria to see what is doing and, if there is any Bolsheviking, to get in on it. The position of the Government is that they must stay where they are. The armistice conditions do not contain any provision for the reciprocal surrender of prisoners. Once peace is signed, however, they will be allowed to go. Meanwhile about a thousand of them are working on railway construction in the Lake Superior division. All are warmly clothed and given substantial food.
