COBALT SILVER QUEEN, LIMITED

Authorized Capital \$1,500,000

J. H. STEPHENS, Sec.-Treas.

Main Office, Home Bank Building,
Removed to
Reom 780, Traders' Bank Building.

TORONTO, Canada, March 6, 1908.

To the Shareholders of Cobalt Silver Queen, Limited. Dear Sirs, -- The Board of Directors of the Cobalt Silver Queen met at the mine on Friday last and went thoroughly over the works and I think it my duty to inform the shareholders of what

Everything about the mine was in "apple-pie" order. An immense amount of underground work has been done, about 2,500 feet. The Silver values show up as well at the 125 foot level as they did at the 75 foot level, thus making your property a permanency of assured value. For some time we have been diamond-drilling from the 125 foot level and went down to 400 feet from the surface, finding silver values all the way down. This demonstrates to us the desirability of sinking our main shaft to at least this distance, which we are proceeding to do, and vigorously pushing the work. We have decided to instal a 12 drill compressor. The value of the ore we are taking out has never been greater; the returns from the last car of about 26 tons will probably be over \$38,000, and there is much more of this high-grade ore in sight. As you know, we are only working on eight acres of the 58 you own, but we think it advisable, from the excellent surface indications, to prospect further on the property, feeling assured that quite as good ore can be found on many parts of the remaining fifty acres. This we will do immediately the season is favorable. We have sufficient money on hand to do all the above and it is also anticipated that we will be able to commence paying quarterly dividends by about the first of May.

I feel assured if our shareholders would only see the property that they would be very much impressed with it and satis-Yours faithfully, fied with their holdings.

JOHN I. DAVIDSON, President.

ANOTHER SCHOOL FIRE. But New York Children Get Dut Without Any Panic,

NEW YORK, March 6 .- A special from the public school on One Hunsterdam-avenue and Broadway, shortly before noon to-day. All the chiffren were marched out in perfect order.
Parents who rushed to the building
were prevented by the police from
clogging the exits and sent away.
The fire was on the top floor of the
building, which is five storeys high, and
was trivial.

BONDSMAN HIRED A MAN

to become a prisoner in the Lebish County jail for thirty days for \$90. Lawson's mother had a warrant is sued for the arrest of A. E. Swartz of Allentown, Pa., who, she claims, hired her son to go to jail that he might save \$500, which was a bond given for the appearance of another man named Elmer Fry, alias Freeman, convicted of perjury. After his release Lawson got only \$26.
