

Here's One For You

Last week we had a gentleman in looking at our Brown Suits. He had just come from his tailor, who had made him a suit and it did not fit him. Nor could he (the tailor) alter it to fit. He was so well pleased with our showing and the excellent fit of our garments, that he made up his mind to go and get his deposit money back from his tailor and come to us for one of our \$25.00 New Shadow Check Browns. True to his word, he came in yesterday and bought the suit of his choice, and both himself and his wife were the most pleased couple we have seen for some time. We never publish anything but absolute facts, and to any doubting person we will cheerfully give the name and address of this gentleman, who simply proved for himself that "Sovereign Brand" clothes have the average custom tailor down and out when it comes to fit, finish and price.

"COME ON IN" We can give you many other names of just such cases.

LONDON OLD BOYS.

Great Celebration Planned in Forest City.

LONDON, June 26.—(Special.)—The old boys' reunion Aug. 2 to 8 will be a continuous round of entertainment and amusement.

Thousands of dollars are being spent to put on the Mardi Gras in a manner second only to the famous entertainments given in New Orleans. There will be the gorgeous spectacle of the coronation of the queen of the carnival, rivaling in magnificence the coronation of royalty attended by the knights in full regalia of their orders and the ladies in jewel-bedecked gowns. This ceremony will be succeeded by a procession of elaborately decorated floats, representing in their glory, pomp and resplendency all the nations of the world—old boys, veteran firemen, society turnouts, automobiles, and London's famous horses. It is expected that the pageant will be miles in length.

Smallpox in Kent. CHATHAM, June 26.—(Special.)—A slight outbreak of smallpox has occurred in Harwich Township a few miles from the town of Elmholm. A number of families have been affected for some time, and the fact has at last been drawn to the attention of the authorities.

COMPROMISE REACHED WITH STREET RAILWAY

Will Supply Equal Number Single and Double Truck Cars—A Marriage Denied.

HAMILTON, June 26.—(Special.)—The conference committee to-night fixed up a new street railway deal which will be submitted to the city council next Monday, and, if approved by council, it will be submitted to the ratepayers on July 27. The agreement from the standpoint of the city is not nearly as good as the company promised when negotiations were started. Then the company promised fifty double-truck cars of the most modern type. Later it would give only sixteen double-truck cars, the remainder to be single trucks. A compromise was reached to-night, under which the company supplies twenty-five double-truck and twenty-five single truck, and which are to be supplied as follows: Ten double-truck cars by May 24, 1908; five double and five single-truck, in 1910; two double and eight single-truck cars in the next year, and two double and three single-truck cars in each of the next four succeeding years. After the third year the company has the right to appeal to the city council against supplying double-truck cars. The company promised to have the new system on the Barton and East King-street route finished by May 24 next. A clause providing a penalty in case the company does not carry out its bargain will be drawn up. The alderman wanted cars with seats arranged crosswise, but Manager Hawkins insisted upon seats placed lengthwise. "We want cars we can turn the horse into," he said. A double track will be completed on Ferris-street, from James to Wellington-streets, by Nov. 1, 1908. Ald. Jutes thought the company should operate cars on Sunday mornings before 10 o'clock, and after 10 o'clock on night and after 1 o'clock week days.

The Hamilton Students this afternoon dropped another game, being defeated by St. Thomas by 5 to 5. Billy Carroll has advanced the \$600 necessary to secure the release of the race horses, Advance Boy, Dorothy Webb and Little Minnie. Fred J. Darsch, chief clerk of the High Court of Ontario, paid an official visit this evening to Court Oronohy at the residence of Mr. Darsch, who is expected to be in length.

North Toronto Church Has Fine Social Event

Day's Doings in Suburbs.

NORTH TORONTO, June 26.—(Special.)—One of the most delightful events in the history of the town was the annual lawn social and concert held on the beautiful grounds of William Maguire here to-night. The weather was all that could be desired, while the attendance was such as to bring joy to the hearts of the finance committee, fully 400 sharing in the good things so generously provided by the ladies in charge. The grounds were illuminated with Chinese lanterns, and following the luncheon, in which strawberries and "real" cream formed no small share, an excellent concert was given.

Mayor Fisher, as ever, was an ideal chairman, and the evening was largely instrumental in the delightful function, were Mrs. Kyles, Mrs. Wells, Mrs. Parkes, Mrs. Campbell, Mrs. Bialle, Mrs. Tomlinson, Miss Brydson, and Miss Maguire.

Under the administration of Rev.
