## A Name Can't Make

## Woman's Shoe Fit.

A shoe with a fancy, copyrighted name can't fit a foot any better or fit any more feet than if it were only known by the good old English word of "Shoe."

Many women buy shoes that don't fit for the sake of wearing a shoe with a fancy name.

DON'T PAY FOR A NAME, THERE'S NOTHING IN IT.

"A Rose by any other name would smell as sweet."

## Our Shoes

at \$1.50, \$1.75, \$2.00 or \$3.00 possess all the beauty, grace, elegance, and style a woman can get in a shoe, regardless of whatever elaborate name may be tacked on to it.

We've a size, width and shape for every woman's foot, and we say: Bring back your shoes, if they disappoint you in any way.

We're a Safe Shoe Store.
