

VETS IN ACCORD WITH HAIG PLAN

Resolution Passed to Put Destiny of G. W. V. A. in His Hands

Establishment of British Legion in Canada Favored—Dominion Assets \$8,000,000.

OTTAWA, June 24.—The destiny of the Great War Veterans' Association, formed of ex-service men after the war, with its assets of \$8,000,000, records, emblems and membership, lies in the hands of Field Marshal Earl Haig, former commander of the British Armies in France, according to resolutions adopted unanimously at the seventh annual convention of the association here this afternoon.

In accordance with former directions and the expressed wishes of Field Marshal Earl Haig, the association undertakes to proceed without delay towards the complete unity of Canadian ex-service men and subscribes without reservation to the establishment in this Dominion of the British Legion in Canada, under the direction and leadership of the "Grand President of the British Empire Service League," the resolution states.

CO-OPERATION ASSURED. The association will tender to Earl Haig assurance of unqualified co-operation to this end, and the assets, records, emblems and membership of the body, with full authority to complete negotiations on behalf of the G. W. V. A., requesting guarantees only in respect of three matters.

These matters are: (1) That the ideals upheld by the G. W. V. A., as set forth in the association's declaration of principles be preserved.

(2) That negotiations in respect of transfer and consolidation be conducted as to ensure maintenance of organization throughout to safeguard the interests of minorities, classes with peculiar needs, needy, disabled and dependent.

(3) That satisfactory service facilities be continuously maintained as to enable independent and democratic expression of opinion in respect of veterans' legislative questions and for the adjustment of individual claims.
