COMMITTEE CUTS THE ESTIMATES OF TWO HOSPITALS

Decides for Warrants for Sums Actually Received in 1923

The finance committee of the Municipal Council this morning passed the estimates of the General Public Hospital and the St. John County Hospital but lopped \$19,006.13 of the amounts asked for by the two boards. Of this \$16,206.13 was from the G. P. H. and \$2,800 from the County Hospital. The principle was laid down that the grants this year should be the actual amounts received by the various institutions last year and these two grants were made on that basis.

ABOUT AS LAST SEASON.

According to a C. P. R. official this morning as much freight has been handled through the port of St. John the first circuit of the new year and he was pleased to not that basis.

Municipal Home.

A. M. Rowan, chairman of the Board of Commissioners or the Municipal Home, explained several items in their appropriation. In answer to a question as to what they would do if the appropriation was cut to the 1923 figure, \$34,000, he said they could not do some work which they had in mind. Asked about an estimate of \$2,000 for repairs to building, Mr. Rowan said \$1,000 of this was for a porch on the east side of the building. Mr. Rowan said \$1,000 of this was for a porch on the east side of the building and that would be made the front entrance, instead of the west face of the building. Mr. Rowan said he thought the \$2. 500 received for the foreshore should have been credited to the bond account of the institution and they had not received any credit at all but had been charged \$20 for the plans.

The county secretary said the sinking funds took cars of the bonds issued now but there was an amount of \$12.500 for old bonds which had been retired from contingent account and this amount had been carried as a debit of Assessors and submitted the required for morning as much freight has been in the fight has been the state that it was the first circuit of the new year and he was pleased to note that the two the that the bottom and business conditions were on the saile, but the was a listly had the the saile had the the bottom and the hope that the same as last year.
