ALICE CALHOUN SCORES AT THE UNIQUE THEATRE

Alice Calhoun, one of the cleverest of the newer stars, won many score of new admirers when she was flashed upon the screen at the Unique theatre yesterday. It was the first time that she had been seen in an emotional role. Previously she had won favor as the dippant

country lass who had no serious consideration of life and its tragedies. In "The Charming Deceiver" she assumes the role of a young wife whose husband is in jail and who has met with adversity. Her mother had previously married against the wishes of the parents and was disowned. At the opening of the story the young girl is being evicted from a tenement house in Montreal. JO-BEL

THE WONDER SALVE
ANOTHER MAN SAVED FROM THE KNIFE

We do not claim that JO-BEL will cure everything, but we do claim that it has positively cured cases of piles that other remedies only temporarily relieved. To the testimony of the other Saint John people we are privileged to add that of the well known Provincial Constable, Mr. Robert Crawford, 8 Canon street, who had been advised only an operation would cure him.
Sale all druggists, price 50c. and \$1.00. See testimonial display, G. A. Cameron, Charlotte street.

UNKNOWNLY— You may be ruining your teeth

You cannot afford to risk harming YOUR teeth with gritty, scouring matter. Neither can you afford to use dentifrices that do not destroy the decay germs or remove the coating in which they thrive.

For your teeth's sake use Minty's Tooth Paste. The highest-priced tooth pastes cannot do more towards preserving your teeth.

Minty's contains only ingredients approved by dental authorities.

Minty's cleans your teeth without the aid of coarse grit. Because it is highly mentholated and antiseptic it destroys all the decay germs where your tooth brush cannot reach. It keeps the mouth healthy, the gums firm, the breath sweet and is an acknowledged preventive of pyorrhea.

If you use more than half-an-inch you are wasting it because Minty's is concentrated more economical. The large 25c. tube represents the greatest tooth paste value obtainable.
