International Boxing Association

(FROM T. S. ANDREWS)

Milwaukee, Wis., March 26.—Strong efforts are being made to bring about an international boxing organization, similar to the Olympic association, and it will not be surprising if something tangible results within the next year. The new York commission is anxious to see something of the kind realized. Writing from London regarding the matter, a well posted authority there says: "Nothing further has been heard about a reciprocity arrangement between the National Sporting Club of London and the French boxing Federation, but I have good grounds for stating that an announcement will be made soon. If the British governing club and the big Paris union get into agreement it will be a big step towards an international body of control. With the New York commission already exchanging ideas with Paris, it ought not to be very long before the rest of the American states' boxing commissions fall into line. Then it may be taken for granted that Australia will follow suit. Every country interested in the boxing game will by that time be a member of the international board. If ever it is formed, the board will need to go slowly, otherwise dissensions will arise. A give-and-take policy will surely be adopted, for by no other means can an international commission exist. What has been proved possible in amateur athletics can surely be realized with professional boxing. The International Olympic Council work harmoniously together and there is no reason why a similar result should not occur from an international boxing commission. Snowy Baker, an Australian boxing promoter, who is now in London, is authorized to work along the same lines, and if possible, establish a working agreement with the French and British boxing associations.

DRINK BOOZE and Cry "Hard Luck"

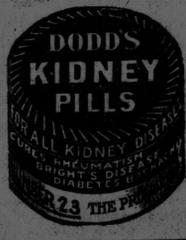

There is Just One Way, Mr. Liquor Drinker, to Change That Stock "Hard Luck Story" of Yours—and That Is, Stop Drinking. IF YOUR NERVES DEMAND LIQUOR AND THE DRINK APPETITE IS TOO STRONG FOR SUCCESSFUL RESISTANCE TAKE THE GATLIN TREATMENT.

In Three Days, the Gatlin Treatment Will Cure the Drink Habit Without Injections or Any Other Disagreeable Features. When a business man doesn't pay his bills and gives out a hard luck story about "dull times," "money tight," etc.—just smell his breath and you will know why profitable business slumps him. This country is too broad, too big, and opportunities too plentiful for any man to cry "hard times" if he will leave liquor alone. The business man who takes his liquor on the "little-at-a-time" plan and plies the out-and-out booze fighter, will understand why his sober competitor is so successful by coming to the Gatlin Institute and having his system cleansed of the many years' accumulation of alcoholic poison. Call or write for particulars. Medical Superintendent.

Gatlin Institute, Limited Tel. M. 1685 46 Crown Street, St. John, N. B. Also Montreal and Toronto. C. E. Farrad, Manager.

SPORT NEWS OF A DAY, HOME AND ABROAD

WAS TROUBLED WITH Weak and Dizzy Spells.

Heart Would Beat Something Awful. Those feelings of weakness, those dizzy spells which come over people from time to time, those warnings that must not go unheeded. They indicate an extremely weakened state of the heart and disordered condition of the nerves. One dizzy spell may pass off, but eventually they will come frequently, and at the same time more severe. Those who are wise will start taking Milburn's Heart and Nerve Pills before their case becomes hopeless, for they have no equal for restoring the heart to its usual strength, and making the nervous firm and steady. Mrs. Len. Kinsey, Moose Mountain, N.B., writes: "I was troubled with weak and dizzy spells, and my heart would beat something awful. I got so I had those spells every day. I got so I would try one medicine, and then another, but nothing did me any good until I got Milburn's Heart and Nerve Pills. I can safely say they did me more good than anything I ever took, for I feel like a very different woman. My friends often ask me what I have been taking, and I always say 'Milburn's Heart and Nerve Pills.' I tell my friends who say their heart troubles them, to take your pills. Price, 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont."

BASEBALL

Halifax Strong For It. Of the proposed professional baseball league the Halifax Chronicle says: "Baseball is languid. For until Joe Page lines up Moncton, Amherst, the Picton towns and whatever other places wish to enter the league. St. John is ready, Halifax is ready, and all that is needed is the consent of the other towns, and that is expected soon, for Joe has gone to visit them and Joseph has a persuasive way about him. "As far as Halifax is concerned, baseball should be a success here this summer. There will be some four or five conventions in Halifax this summer, and if the attendance averages 800 the club will be a success. But it has done better than that before, and over the 800 mark. Anyway, about a dozen Halifax business men, who do not wish their names divulged, have banded together to put a team in the league. A capable manager will be secured and the hiring of players and such things pertaining to the team will be in his hands."

WOULD COUGH SO HARD Would Turn Black In The Face.

A cough cold is one of the most dangerous kind. It leaves the throat or lungs, and sometimes both, affected if not taken care of immediately. Obsolete coughs and colds yield to the grateful soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway pine tree. Mrs. C. J. Selig, Dartmouth, N.S., writes: "My little boy, six years old, had a dreadful, hard cough. At night time he would cough so hard he would turn black in the face, and at times he would cough nearly an hour before he would stop. I tried different cough syrups, but they did him no good. The little fellow was wasting away, as he could not eat or sleep, the cough troubled him so. I got a bottle of Dr. Wood's Norway Pine Syrup, and it did him so much good I got another. Now I am only too glad to be able to write this to tell how thankful I am, and to tell every mother to use nothing else. Price, 25 and 50 cents. Be sure you get "Dr. Wood's" when you ask for it. See the trade mark; the three pine trees. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont."
