**ANOTHER C. P. R. MAN TO I. C. R.**

From Smith's Falls, Ont., Comes R. S. Richardson to Be Assistant Divisional Superintendent

Another C. P. R. employe has been appointed an official of the I. C. R. R. S. Richardson, who was a foreman shunter in the C. P. R. yards at Smith's Falls, Ontario, has been appointed assistant superintendent on the St. John and Halifax division of the I. C. R. which is one of the most important divisions of the road. A great deal of dissatisfaction is expressed by lower province I. C. R. men who are well up in the service as it was expected that an appointment such as this would fall to one of them.

H. B. Fleming, who recently held the position and who has been in the employ of the I. C. R. for some has been transferred to Edmonton and will occupy the same position on the section of the Grand Trunk Pacific which is being operated by the I. C. R.

Mr. Richardson arrived in the city yesterday from the west and will take up his new duties at once. His headquarters will be in Moncton.

**NORTON GRIFFITHS' PLANS FOR DREDGING IN COURTENAY BAY**

Within three or four weeks, dredging operations on a very extensive scale should be in progress in Courtenay Bay. Two powerful dredges will be brought out from England, and if practicable a powerful suction dredge will be added. The work will be done by the Norton Griffiths Co. The first big dredge should arrive within twenty days, as she will sail tomorrow. After arrival, a few days will be required to get the plant in readiness for work, and then the mud will begin to fly. The first plant to arrive will be—

(1) The dredge "Don Frederico" built in 1909. She is a twin screw open bow well bucket dredge, capable of raising 1,000 tons per hour from a depth of 90 feet, and the buckets have a capacity of 25 cubic feet and a speed of from 12 to 18 a minute.

The dredge is fully equipped with deck cranes, crew accommodation, electric light, etc. Her length is 117 feet, breadth 35 feet, depth 12 feet, mean draft fully loaded 8 feet. She has been passed by the Board of Trade as a modern sea-going dredge and will sail for Canada on the 28th day of August.

(2) Two self-propelling steam hopper scows, length 120 feet, breadth 27 feet, depth 11 feet, capacity 800 cubic yards. They are fitted with triple expansion engines and can steam 8 to 9 knots. They are timed to arrive here the same time as the "Don Frederico."

(3) The dredge "Scotland" is a stationary bucket ladder dredge only just completed, capacity 600 yards per hour at a depth of 60 feet, the buckets having a capacity of 22 cubic feet. This dredge will leave early in September, she will be accompanied by the necessary scows and barges.

In addition to the above the Norton Griffiths Co., are retaining from the old dredging company two of their large scows and the tug "Betty D."

Owing to the modern nature of the craft and its capacity for work, it is anticipated that the dredging will go ahead and be well ahead of programme by the end of 1914.

Should the material in the bay prove suitable the contractors propose to put on in addition a powerful suction dredge, but it is their intention first of all to see exactly what the quality of the material to be dealt with in the bay is like.

**N. B. DELEGATES TO TORONTO TONIGHT FOR FORESTERS' MEETINGS**

The New Brunswick delegates to the supreme court of the Independent Order of Foresters, which will meet in Toronto on August 29, will leave tonight for that city. They are—M. E. Grass, H.C.R., of this city; George B. Jones, M.L.A., of Apolauis; Lieut.-Col. George Merseure, of Doaktown; John T. Hawke, of Moncton; Ernest A. McKay, of Fredericton; and Rev. H. B. Thomas, of Dorchester, the last named being an officer of the supreme court. The discussions at the supreme court this year are expected to be of unusual interest to members of the order. High secretary, E. J. Todd, will go to St. George on Monday night to take part in the initiation of a large class of new members in Court Middlesex at that place.

**THEIR LITTLE ONE DEAD**  
Many friends will feel deeply for Mr. and Mrs. Michael A. Harley in the death of their infant son, Norman Patrick, which occurred yesterday at their home in Somerset street.

**THE SCHOOLS**  
It was learned at the Board of School Trustees' office this morning that more than 400 school permits already have been issued. This is about an average number but may be considerably added to before the schools open on next Tuesday.

**SPOKE WELL OF HIM**  
A little Hebrew boy was in court today charged with throwing stones and breaking a plate glass window in the Royal Hotel. A fine character was given the young fellow and it came out that a good deal of provocation had been given him before he committed the offence. He was allowed to go.

**MARY CHAISSON WINS NEW HONORS**

Announced as Capturing the Lieutenant-Governor's County Prize For High School Entrance

Hearty congratulations have been pouring in on Miss Mary Chaisson, daughter of Mr. and Mrs. Angus A. Chaisson of King street east, because of her winning of the coveted distinction of leading all the pupils of grade 8 in the city schools the High School entrance examinations.

Still heartier congratulations are now in order. Miss Chaisson has won four

her laurels by making such an excellent mark as to be acknowledged the county leader and winning the lieutenant-governor's medal offered in that connection. Although only thirteen years of age, Miss Chaisson has made a name for herself in local school history, and while she is deserving of much praise, credit also reflects on her teacher, Sister Alphonsus, of St. Joseph's school, whose name has been intimately linked with High School entrance medals for several years in this city, both scholars from St. Peter's and from St. Joseph's school under her capable tutelage capturing honors. Sister Alphonsus was Miss Chaisson's teacher this year, while Sister Joseph had year laid the foundation for the learning which has this year placed Miss Chaisson in the forefront of scholars throughout the city and county.

The winners of the lieutenant-governor's medals in the various counties are: Albert—Katherine Thompson, Hillsboro Superior School.

**Smart Styles in Boys' Clothing**

How About That School Suit?

We look on our Boys' Clothing store as a preparatory school, one might say, in style and the knowledge of good clothes, so that when the boys' "graduate" into manhood they will naturally come to Oak Hall for correct apparel.

Boys' who wear Oak Hall clothes are right up to the day in style—parents need not to please themselves and the boy as to materials, and may rest assured that the style is correct and that the fit will be carefully seen to before the sale is consummated.
