**FULL EQUIPMENT OF REGIMENT ON THE VISIT TO BOSTON**

62nd Fusiliers to Leave Barracks at 6:30 Tomorrow Evening and March to Train—The Route and Other News of Trip

Three hundred strong, garbed in their new serge uniforms, and in complete regalia, comprising great-coats, bushies, bayonets, etc., even to kit bag and water bottle, the men of the 62nd regiment of Fusiliers will leave their quarters in the barracks in Lower Cove at 6:30 o'clock tomorrow evening and march via Broad, Prince William and Mill streets to the Union Depot, where they will entrain for Boston.

On Sunday last the men presented a very tidy and soldierly appearance when they were seen in the church parade, and it is expected that when they march in order tomorrow night with both the 62nd brass band and the drum corps playing, the sight will be inspiring.

They are expected to arrive in Boston at 9 a. m. on Saturday, and will at once march to the South Armistead Hotel, where quarters have been prepared for their reception, ample provision having been made there both for sleeping and eating.

The officers will go to the Hotel Victoria, about 200 yards from the barracks, and after this the men will march to Charles town, to take part in the celebrations. About 6:15 it is thought they will return to the barracks. "Come to the cook-house door" will sound at 8 a. m. on Sunday and at 8:30 the "fall-in" will be blown for church parade.

At Paragon park in the afternoon the regiment will be the guests of the city of Boston, while the following day, Monday, at noon, the whole regiment will be entertained at luncheon by the Ancient and Honorable Artillery. Then at 4 p. m. the soldier ladies will see good-by to the "Hub" and march to the train for their return trip. They are expected to reach New Brunswick at 7 p. m. on Tuesday.

The programme prepared for the officers of the regiment during their visit looks promising and pleasing. On Saturday at 8 a. m. they will breakfast as the guests of the 8th Regiment, on Saturday at noon they will have luncheon as the guests of the city, and in the evening the governor of the state will tender them a dinner. On Monday morning the Boston City Club will have them as their guests, while at noon they will attend the dinner of the A. S. H. Co. with the men.

The officers and men are anticipating the trip with much pleasure and are looking forward to making a name for the regiment in Boston, having an enjoyable stay as well.

**REV. MR. GRAHAM IS HOME FROM OTTAWA**

Speaks of General Assembly Meetings at Which He Has Been in Attendance

Rev. Angus A. Graham arrived home from Ottawa this morning, after attending the Presbyterian General Assembly meetings, which have not yet been fitted with the new serge uniform at the drill shed this (Thursday) evening at 7:30, when the serge will be issued. The drummers and buglers will meet at the Officers' Club tonight at 8 o'clock to receive their sashes and other outfit.

The question of church union was discussed and it was unanimously decided to let the matter rest with the sessions and congregations all over the Dominion. All members of churches as well as adherents will have a chance to vote on the subject. A special ballot is to be furnished the churches on these questions mentioned thereon. The first question will be "Are you in favor of church union with the Methodist and Congregational churches?" the second "Are you in favor of the proposed basis?" and the third "Have you any other alterations to offer?" The resolutions of the different churches will have to be in by March 13, 1912.

This morning a question was brought up at the session, and a resolution was passed disapproving of mixed marriages, and urging that the Presbyterians and Methodists be cautious of such matters until the question was settled by the law courts.

The applications of eighteen ministers for admittance into the church were received. Most of these were from Presbyterian ministers in the United States. Some were admitted, some rejected, and others sent to college for further training.

Mr. Graham left before the congress was quite over. It was expected that the business would all be transacted by tonight.

Rev. Mr. Graham will remain in the city until Monday 26, when he will leave to take up his new position in the Saskatchewan University.

**PLAN TO PUT THE CHATHAM SALOONS OUT OF BUSINESS**

Recent Raids to Be Followed by Others—Wm. Dick Now Sues the Mayor

(Special to Times)

Chatham, N. B., June 15.—On account of the number of drunks arrested recently, the council is taking steps to put the saloons out of business. There have been several successful raids recently and others will follow.

A writ was served on the mayor yesterday at the instance of William Dick, claiming \$200 damages for false arrest. A payment of 1908 taxes, which he then paid to obtain his liberty. At the meeting of the town council last week he petitioned for refund on the ground that he was not a resident in the town that year, and the council allowed the petition and ordered the refund. Mr. Dick says this amounts to admission that he was wrong, he arrested, and now he wants damages.

**Clothes For 'Clean-Cut' Men**  
AN OAK HALL SPECIALTY

There is no such thing as being a "clean-cut" chap unless your clothes are "clean-cut." Most of us are not so endowed with physical beauty that we can be careless about our personal appearance. Therefore, it behooves us to look our best, be trim, neat, well-tailored, if we are to be favorably judged; a slovenly man is very naturally thought to be careless. That is the impression he conveys upon first acquaintance, and if he is neglectful of his person, why—he must be so in everything else.

With the help of a garment that is well built, that is expertly adapted to you, and your physique, your personality will naturally be improved. Such clothes must not necessarily be made to measure. In an enormous clothing establishment like Oak Hall, with its manufacturing, wholesaling and retailing, you will find that any man can be absolutely perfectly fitted—that he can find the style that is particularly adapted to him.

Oak Hall clothes will not only fit any man but they will help his character—appearance. They are distinctive, full of style, dignified.
