*Vacancies.*—The only Mission within the Deanery vacant, is Laprairie, with Longueuil ; and this is temporarily supplied, as stated in last report.

St. Therese, with St. Martin, has very few members of the Church within its limits.

*Boundaries of Parishes and Missions.*—The Church of St. Thomas, in Montreal, is now appropriated to the use of the United Church of England and Ireland, and it has been thought advisable that a district should be set apart in connection with that congregation. The boundaries of the district are as follows :

From Barclay street to Papineau road along St. Mary street, South ; the Eastern side of Papineau road to City limits, North and East.

The question of the Division of the Parish of Montreal into separate and independent Parishes or Rectories (so called by a former act of the Synod in relation to self-supporting Churches) in accordance with the existing District, or with arrangements yet to be made, has been postponed in deference to the wishes of the present Rector ; with the understanding that in the event of a vacancy in the rectory of Christ Church, the question of such division shall then be brought forward
