## YACHT CHALLENGE FOR CUP ASSURED

Sir Thomas Lipton Coming to America With New Plans

DUE IN AUGUST

LONDON, June 10.—Sir Thomas Lipton is out of town and no authoritative statement can be had from him as to his intentions regarding the next competition for the America's cup, but his close personal friend, Sir Thomas Dewar, when seen tonight by a Herald correspondent, stated that Sir Thomas was very much in earnest about capturing the cup.

"Sir Thomas feels that he cannot challenge again under the existing regulations," said Sir Thomas Dewar, "but he intends going to New York himself in August and personally laying before the committee a challenge which they can accept."

It is understood from reliable quarters that Sir Thomas Lipton hopes to be able to arrange matters in such a way that he will be allowed to compete with a yacht that is not merely a racing shell but really a seaworthy boat, capable of safely crossing the Atlantic under its own sail, without the risk that attended the sailing of the last Shamrock.

Sir Thomas Lipton will be at the Holland House in New York about August 12. William Fife, his designer, will probably accompany him. The two have had numerous conferences recently respecting a new model, and the new challenger will be based upon plans which Mr. Fife has originated.
