

Parents are particularly requested to send every article of clothing marked with the name of the pupil in full. Initials are worthless.

If parents wish to aid us in our efforts to promote the health of the students, they will do well to heed our *earnest request* that no eatables, except perhaps fresh fruit, be sent to those under our care. We suggest also that spending money, beyond actual needs, is injurious in its influence on students, and should not be furnished.
