Owing to the large number of invitations issued and accepted there was an unavoidable crush during the dancing but under the circumstances it was what had to be expected. However everything went off very merrily. Delicious refreshments were served throughout the; evening, and for those who were weary of the dance there were cosy corners and other delightful "sitting out" nooks,—far from the maddening crowd. About 1 a. m. the carriages began to roll homewards with their burdens of sleepy but happy occupants many of whom after just the tiniest "moones" would have been we venture to say as fresh as ever and very fit to trip the "light fantastic" until further notice. An immense concourse of people stiended the political picnic, held in the grounds at Broderick's beach hotel on Labor Day. Three excursion trains arrived bringing people from Moncton and various other points. The steemer Beaver also brought a party from Wolfrille. The stirrations of the new hotel and the enjoyment of a day on the beautifug beach had doubtless much to do with collecting so large a crowd. On the arrival of the noon train the speakers, Hon. W. S. Fielding, Hon. G. H. Murray, Hon. W. R. Emmerson, N. J. Logan, M. P., C. W. Robinson, M. F., P., Hon. I. R. Blair, E. McDonald M. P. P., and F. McLure M. P., droye to the grounds preceded by the Springhill band and addressed the assemblage from the hotel verandals. Mr. J. Greeham Alkman's death on Saturday after several weeks' Illness was a sad event and a severe blow to his family for whom much sympathy is felt. Two daughters and a son are in England. The mining efficials and a number of others came from springhill in a special train to attend the funeral on Tuesday afternoon. The service was conducted by Revds. D. McQuarrie, N. K. MoLean and Robert Johnstone. Among the gifts of flowers were a breken car wheel of lovely white roses and other white flowers, from Mr. J. E. Cowms; a large cross of begonia leaves and roses from other mining officials; abreken eas wheel from the employees of the Cumb. Ry. & Coal Co.,

to Dr. R. v. Perce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that minety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over thirty years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, and the honor paid him by the profession as the first of specialists in the treatment of women's diseases.

Rivery sick woman may consult Dr. Pierce by letter, absolutely without, charge. Every woman's letter which contains her secret remains her secret. It is read in private, answered in private, and its contents guarded as a sacred confidence. That no third party should enter into this secret, all replies are mailed, sealed in perfectly plain envelopes, with out any printing or advertising whatever, ipon them.
