

SPRING BLOOD IS WATERY BLOOD

How to Get New Health and
New Strength at This
Season.

Spring ailments are not imaginary. Even the most robust find the winter months most trying to their health. Conditions indoors, often in over-heated and nearly always badly ventilated rooms—in the home, the office, the shop and the school—take the vitality of even the strongest. The blood becomes thin and watery and is clogged with impurities. Some people have headaches and a feeling of languor. Others are low-spirited and nervous. Still others are troubled with disagreeable pimples and skin eruptions; while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order and that a medicine is needed. Many people take purgative medicines in the spring. This is a serious mistake. You cannot cure yourself with a medicine that gallops through your system and leaves you weaker still. This is all that a purgative does. What you need to give your health and strength in the spring is a tonic medicine that will enrich the blood and soothe the jangled nerves. And the one always reliable tonic and blood purifier is Dr. Williams' Pink Pills. These Pills not only banish spring weakness but guard you against the more serious ailments that follow, such as anaemia, nervous debility, indigestion, rheumatism and other diseases due to bad blood. In proof of this, Mrs. D. E. Hughes, Hazenmore, Sask., says: "About a year ago I was badly run down, my nerves were all unstrung, and I could not go up stairs without stopping to rest. As I was a long way from a doctor, I determined to take Dr. Williams' Pink Pills and in the course of a few weeks I felt like a new person. As an all round restorative I can heartily recommend this medicine."

If you are ailing this spring you cannot afford to ignore your own interest, to overlook so valuable a medicine as Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

MAPLE ISLAND LADY TELLS OF
DODD'S KIDNEY PILLS.

Mrs. Walter Brear Suffered From Kidney Troubles For Two Years, but Found Relief and Complete Cure in Dodd's Kidney Pills.

Maple Island, Ont., April 7.—(Special.)—After suffering for two years from kidney disease Mrs. Walter Brear, an estimable lady living here, has found a complete cure in Dodd's Kidney Pills.

"My trouble started after my baby was born," Mrs. Brear states. "My joints got stiff, I had a bitter taste in my mouth and there were dark circles under my eyes. My skin had a harsh, dry feeling, and it itched and burned at night."

"I was troubled with gravel, I was often dizzy, and I suffered from shortness of breath."

"I consulted a doctor, but without getting much benefit, and I was very much run down when I started to use Dodd's Kidney Pills. After taking two boxes I felt a lot better, and eight boxes cured me completely. I would not be without Dodd's Kidney Pills."

"Any disease that Dodd's Kidney Pills cure is either of the kidneys or caused by the kidneys. All of Mrs. Brear's symptoms were symptoms of kidney disease. Dodd's Kidney Pills toned up her kidneys and put them in condition to strain all the impurities out of the blood. That meant pure blood, and pure blood means good health."

Social Notes of the Week

A BRIGHT AND NOVEL ATTRACTION COMING TO OPERA HOUSE NEXT WEEK

The following clipping from the Amherst Daily News, referring to the Jack Rossley English Pantomime and Musical Company, will be of interest to St. John theatre-goers:

A novelty in the way of a musical comedy was presented to the Amherst theatre-goers last evening at the Empress when Rossley's English Pantomime Company made an initial appearance before the local public, rendering "Jock the King's Piper." The comedy was Scotch throughout, the inimitable accent of the "Hielands" being well represented. Many a good laugh caused by the principal players made the scenes thoroughly enjoyable. A unique feature in connection with the program was the fact that the chorus was composed of girls between the ages of fourteen and seventeen. Without exaggeration their voices exceed in range and sweetness many of the choruses travelling with higher priced shows. Jock the Piper (Jack Rossley) with Mac his nephew, (Percy Orin) were the two principal characters in the sketch, with Joe Burkhart as Wee McGregor, eliciting laughs from his audience. Miss Bonnie Rossley also took a prominent position both in the acting and in the chorus. The musical numbers could not be better. The feature selections being "Cheer Up Molly," sung by little Miss Kathleen Barnes, aided by the Company, "Your King and Country Need You," by Miss Dot Marshall and Company, Miss Gertrude Edwards scored a hit in a catchy song, "There's a Long, Long Trail." "Under the Canadian Flag," by the company is also worthy of mention. The local play followers to attend.

Major Nelson returned to Canada recently in charge of a company of wounded men for Vancouver and will rejoin his regiment at the front in the near future.

Miss Claire Moffet of Perry Point is a guest at the home of Mr. and Mrs. Archie Britton.

Miss Zita Williams, of the New Brunswick Telephone staff here, is suffering from a bad attack of influenza at her home in Bloomfield.

Mrs. W. B. McKay, of Sussex, was the guest of her sister, Mrs. Clarence Spooner, last week.

The Soldiers' Comfort box collected by Mrs. Wm. Langstaff and Mrs. J. S. Sutherland has arrived at the front in good order. Mrs. Sutherland received letters this week from boys thanking the good people in Hampton who contributed to this box for their great kindness.

Many old friends here were sorry to hear of the death last Wednesday of Mr. Clarence Spooner, which took place in Providence, R. I. The

bill stand at least until the opinion of members could be obtained. His whole object in the provisions that he had put into the bill was to stop trickery at polling places, but while that was very necessary it would not do to deprive anybody of votes to which they were justly entitled.

The bill was then amended so as to make its provisions similar to the present act.

Ultimately the section was amended to provide that either ruled or unruled paper might be used for every voter's qualifications.

Hon. Mr. Baxter moved to insert a sub-section providing that any voter who was challenged and refused to take the oath should not be allowed to vote at all.

Some discussion ensued upon the question of qualifications for voters.

Hon. Mr. Baxter said it was highly important to have the provincial voting register as perfect as possible, because it was used for dominion elections as well. That being the case there should be one rule for everybody. The main thing was that every voter should know what were the essential qualifications which he must possess in order to permit him to exercise his franchise. He thought that a little consideration would show members that the form of oath which a man might be called upon to take was all right.

Mr. Wilsall called attention to the situation in Gloucester, where the sheriff was called upon to post notices on Miscon Island. At some seasons of the year he might have to stay on the island some days before he could return, and he moved that the same provision as to fees be made for Gloucester county as was applied to Charlotte.

This was done and progress then reported.

The house adjourned at six o'clock until Tuesday afternoon.
