## CARNIVAL OF SPORTS HELD IN THE WEST END SATURDAY

Opening of West Side Playgrounds Was Most Successful — Y. M. C. I. Boys and Others Marched Headed by City Cornet Juvenile Band—East and West Side Children Participated in Races—Large Crowd Present.

The formal opening of the West End Playgrounds took place Saturday afternoon. It was marked by a carnival of sports held on the grounds under the joint auspices of the West End Improvement League, and the Y. M. C. I. A very large number of children took part in the games and they were witnessed by hundreds of spectators. Everything was run off smoothly, and the affair was a complete success.

The Y. M. C. I. boys marched from the Institute to the playground. They were joined at the West Side by the Juvenile City Cornet Band. Headed by the band they proceeded to the playgrounds. There all the children joined in the parade and a tour of the grounds was made. As the long line of young folks passed the stand each child was given a bag of candy which had been generously donated by city merchants. It is estimated that about a thousand children shared in the treat.

After the parade the Y. M. C. I. boys gave a very clever and interesting exhibition of dumb-bell drill. An operator from the Famous Players Co. was present and filmed the boys as they went through the various exercises. This film will be shown in the city in the near future.

Following this the Y. M. C. I. sports were run off.

World Champion Hockey Team Home

Winnipeg Falcons Arrived in Montreal Saturday and Were Given Reception — Left for Toronto Saturday.

Montreal, May 16.—The Winnipeg Falcons, amateur hockey champions of the world, arrived here Saturday night on the steamer Grampian. A reception committee including J. J. Merrick, chairman Olympic committee, Toronto; N. H. Crowe, secretary of the Amateur Athletic Union of Canada, and W. Northey, Aikman, cup trustee, went aboard and welcomed the team.

Today the team was dined at the Montreal Hunt Club and later entertained for Toronto.

WAS FINED \$500 FOR HITTING HOME RUN

Babe Ruth's home run in the fifth inning last Tuesday reminded one of a little story. Ruth hit his four base smash when Kerr had only one strike on him and had pitched three balls. Of course the usual procedure is to wait for the fourth ball and the pass. But Ruth crossed Kerr, even as Benny Kauff once crossed a rival pitcher and was given a manager, who happened to be Lee Magee.

One day at Brooklyn, when Kauff was with the Federals, he came up in the ninth in a game with Pittsburgh. The score was tied. The Pittsburgh pitcher threw him three balls and on the fourth he hit a home run which won the game. As Kauff trotted to the clubhouse, Magee rushed for him. "Great stuff that, hitting with one and three. That will cost you just \$500," Magee shouted. And the fine went too, for the Federals were trying to get back at Kauff for his jump to the Giants, with whom he was not allowed to remain long.
