LOSING \$200,000 MONTHLY CLAIM OF BELL PHONES

Hearing Adjourns Until Re-
port of Municipalities
is Available.

NO INCREASES TO
BE MADE RETROACTIVE

Company Asks for Speed Al-
leging a Monthly Loss of
Over \$200,000 Steadily.

Montreal, Nov. 10.—The Board of
Railway Commissioners, which con-
sidered here today at the enquiry into
the application of the Bell Telephone
Company of Canada for an increase in
telephone rates and the applying of a
measured rate for outgoing calls on
business telephones, adjourned ear-
ly this afternoon, announcing that the
date of the final decision of the board
on which their eventual order will be
based, would not be fixed until it
was known when the reports of the
experts engaged by the Union of Mun-
icipalities, who are opposing the com-
pany's application, would be ready.

Claims Huge Loss

These reports, the board was in-
formed, could not be ready for at
least six weeks. Another matter of
almost equal importance was settled
at the session, when Chairman
J. McLean, of the Railway Commis-
sion, announced there would be no re-
troactive measures, but that any in-
creases, if granted, would date from
the issuing of the order of the board,
but would have no retroactive effect.

This led to a request by counsel for
the Bell Telephone Company that pro-
ceedings should be hastened, since
they claimed that under present rates
the company was losing \$200,000 a
month.

AMERICANS SEND MILLION DOLLARS TO HELP IRELAND

Vital Blow at Sinn Feiners
Struck at Their Pocket
Books.

London, Nov. 10.—England's most
paralyzing blow at the Sinn Fein was
directed at its pocket book, according
to the Irish office today.
The office declared there was a
marked cessation of Sinn Fein activ-
ity following the news that the re-
cords and funds were located. Steps
have been taken to choke off the sup-
ply of money from America, also, the
office said.

A report of the Sinn Fein minister
of finance showed \$23,000 set apart
for the "Self Determination Fund." It
also showed \$200,000 (nominally \$1-
000,000) had been received from Am-
ericans in subscriptions to the Irish
Republican Fund, a fund of \$2,995,642
was shown to be on deposit in New
York.

Little from Australia

The Irish Republic had difficulty in
raising money in Australia, a cap-
tured document, saying: "Despite large
sums reported to have been raised in
Australia, only £175 has been sub-
scribed." The Sinn Fein appropri-
ation for the six months ending Decem-
ber 31, 1920, was shown to total £204,
231. Art O'Brien, secretary of the
Irish Self-Determination League, de-
clared British raiders seized £20,000
from one bank, but that the amount
was made good to the Sinn Fein by
the banker who had the funds in
charge.

SEEKS HER FATHER'S INSURANCE SO SHE CAN TEACH SCHOOL

Little Girl Who Was Cared
for by Mounted Police Cen-
tre of Court Action.

Toronto, Ont., Nov. 10.—The shadow
of a romance in Canadian life passed
across the courts at Osgoode Hall to-
day when Mr. Justice Logie made an
order for \$1,000 life insurance from
the Broker Life Insurance Company to
be paid out of court to the guardians
in Vancouver, B. C., of Nina Phyllis
Joyce, aged 14 years.

Helped by "Mounties."

His daughter was then six months
old. Nina has relatives in Vancouver,
where she was sent after the mother's
death. After several years of making
a living by keeping a restaurant at
White Horse, she was taken care of for
a time by the R. N. W. M. P.
The relatives are unable to do a
great deal for Nina, but she hopes that
the \$1,000 will prepare her to a few
years to be a school teacher, or, failing
that, a stenographer. She says so in an af-
davit prepared by her solicitor.

BISHOP MACDONNELL DIES.

Cornwall, Ont., Nov. 10.—His Lord-
ship Bishop Macdonnell, of Alexandria,
Ont., passed away at the Holy Men
Hospital this morning, having been a
patient here for several weeks.

ABDUL WAHAD SURRENDERS.

London, Nov. 10.—Abdul Wahad, re-
puted commander of the Mesopotamian
insurgents, has surrendered uncondi-
tionally and is under British guard at
Kufa, 100 miles south of Bagdad, ac-
cording to a Baghdad despatch to the
Evening News today.

Tag Day Proved Great Success

Women's Hospital Aid Work-
ers Report Generous Re-
sponse for Nurses' Home.

Great success is reported by those
in charge of the Women's Hospital
Aid Tag Day, held yesterday. The
weather was ideal and the object was
a most popular one, taggers stating
that they met with very few refusals
and in many cases large contributions
were given. Three hundred workers
were operating in the city proper and
in the country, and it is expected that
a very large sum for furnishing the
Nurses' Home will be realized when
the banks are counted today.

Fifteen hundred tags had been sup-
plied, and it was reported that this
number had to be supplemented with
red ribbons at one time in the day. A
house to house canvass was made as
well as the street collection, and few
escaped meeting with an energetic
tagger who could not be resisted.

A noteworthy feature was that
Hutchison for the workers was omitted,
the workers feeling that they wished
all contributions to be used for the
Nurses' Home Fund and not expended
upon the taggers.

Founder's Day At Mt. Allison

Fitting Celebration at Univer-
sity Today — Address by
Rev. H. B. Clark.

Founders' Day will be fittingly cele-
brated at Mount Allison University
today when a service will be held in
the Charles Fawcett Memorial Hall.
Mr. Justice Russell, of Halifax, will
deliver an address in praise of the
founder. At seven o'clock in the
evening Armistice Day celebration in
memory of the sixty-seven Mount Al-
lison students who paid the supreme
price in the war will be held. An
address will be delivered by the Rev.
H. B. Clark, of Portland street Meth-
odist church, St. John, himself a Mt.
Allison man and a chaplain of the
64th Regiment.

Honor the Memory.

Mr. Clark will say during the
course of his address:
"The most fitting tribute we can
pay to the memory of these men is
one of silence rather than speech.
There is something inspiring in the
thought of a far flung Empire such as
ours ceasing from its activities for a
few minutes on this historic day
to honor the memory of our heroic
dead. It is after the fashion of a cus-
tom we observe in the Regimental
Mess at the first parade dinner, after
a heavy engagement. After the toast
"By the King" has been drunk, the
Colonel, amid the noise and gaiety of
the evening will rise and say: "Gentle-
men, I ask you to rise and drink a
silent toast to our absent friends,"
and never was there more eloquent."
Mr. Clark left this morning for
Sackville.

150,000 HEBREWS LOSE THEIR JOBS LAST THREE WEEKS

"Steady Business Recession"
in New York State Respon-
sible for the Condition.

New York, Nov. 10.—Nearly 150,000
members of the United Hebrew Trades
in New York State have been thrown
out of work in the last three weeks
"of steady business recession," Morris
Fenster, associate secretary of the
organization, announced here today.
Of these 90,000 are tailors and cloth
and dress goods makers, mostly in
Greater New York.

Every trade is affected by the slump
in business, Mr. Fenster said, adding
that "none of our people are going to
accept lower wages until the cost of
living has gone down, so they can do
so without lowering their standard of
living."

Had Bad Cough For Three Years.

The constant hacking, racking, per-
sistent cough that sticks to you in
spite of everything you have done to
get rid of it, is the kind that is dan-
gerous.

The longer the cough sticks, the
more serious menace it becomes to
your health.

There is no remedy that will relieve
coughs—coughs that won't let go—
like Dr. Wood's Norway Pine Syrup.
It has a healing and soothing action
on the air passages, and at the same
time acts as a disinfectant of the
respiratory organs, destroying the
germs that produce serious lung con-
ditions.

Mrs. John Miller, Minburn, Alta.,
writes:—"I had a very bad cough for
three years. I went to several doctors
and tried different cough medicines,
but nothing seemed to help me. One
day a friend told me about Dr. Wood's
Norway Pine Syrup, and after using
several bottles I became completely
relieved. I always keep a bottle in the
house, and also recommend it to
others."

Dr. Wood's Norway Pine Syrup has
been universally used for over 30
years, and so great has been its suc-
cess, it is only natural that a great
many imitations have been placed on
the market. The genuine is put up in
a yellow wrapper; 3 pine trees the
trade mark; price 35c. and 60c. a bot-
tle; manufactured only by The T. Mil-
lurp Co., Limited, Toronto, Ont.
