## THE CITY BOWLING LEAGUE HAS JUST COMPLETED ITS SCHEDULE

Lions Have Captured the Fine Shield Again This Season—Complete List of Prize Winners, Team and Players' Standings.

The City Bowling League has just completed its 1921-22 schedule on March 31st, and the Lions, last year's winners, are again the champions. The league has received from Commissioner John Thornton, who has been for years a staunch supporter of the City League, a beautiful emblematic shield mounted on mahogany, on which is engraved past City League Champions as follows:

1914-15 Ramblers.  
1915-16 Sweep.  
1917-18 Ramblers.  
1918-19 Pilots.  
1919-20 Ramblers.  
1920-21 Lions.

## Trojans Meet Moncton Tonight

Y. M. C. I. Floor Will Be Battleground for Real Basketball Match.

The Trojans and Moncton are to meet tonight on the Y. M. C. I. floor in what some basketball fans are anticipating will be the game of the season. The Monctonians were defeated by the Trojans in a game played here early in the season, but since then have made considerable progress in their style of playing, so much so, that one of the Moncton papers recently took exception to either of the two leading St. John senior teams claiming the provincial or Maritime championships without first playing off for the title with Moncton.

The basis of their argument doubtless arose from the fact that the Moncton team recently defeated the Truro team which had defeated the St. George's champions of the Halifax City basketball league.

It is said that the Monctonians are quite firm in their contention, so much so that considerable money has been placed as to the outcome of this evening's game. The Trojans' supporters, however, are quite confident of the superior ability of their own team.

In addition to the attractive senior event, a preliminary game is to be played between the Y. M. C. I. Outlaws and the Y. M. C. I. Intermediates, who are keen rivals for junior honors in basketball circles at the Y. M. C. I.

The Trojans and Moncton are to meet tonight on the Y. M. C. I. floor in what some basketball fans are anticipating will be the game of the season.

## St. John High Are The Real Champions

Local Basketball Players Took Halifax Academy Into Camp 34 to 31.

Special to The Standard.

Woolville, N. S., March 31.—St. John High won the Maritime Intercollegiate Championship by defeating Halifax County Academy 34 to 31, in the Acadia Memorial Gymnasium here tonight.

The game was close and exciting throughout. There were never more than six points difference between the scores. St. John had a slight edge in shooting, while in combination the teams were about equal. The Halifax guards perhaps played a slightly steadier game than their opponents.

Halifax started off with a rush and soon rolled up a lead of four points. Potter, of St. John, started their scoring with two fouls and then St. John began to find the basket. Close guarding kept the scores down for a time, but towards the end of the period the combination of the St. John boys began to show results. Two minutes before the end of the first period, Fraser, of St. John, was forced to retire because of a blow in the face, and Williams substituted. The period ended 19 to 14 in favor of St. John High.

The second half started with a determined effort by Halifax, and an splendid combination and accurate shooting they drew up to within one point of the St. John squad. Then the New Brunswickers bucked up and boosted their count until they were five points ahead. From then on the scoring was nearly even, the game ending 34 to 31 in favor of the St. John boys.

In the second half Lucas of H. C. A. was slightly injured, but was able to play on.

To pick out any individual star would be difficult as both teams showed more combination than individual play. For the winners Lee and Fraser were the scorers, while for the losers Lucas showed considerable ability in finishing the basket.

The teams lined up as follows: St. John High School—Forwards, Lee and Fraser; Centre, Potter; Defense, Welsford and Wilson; Spare, Williams.

Halifax County Academy—Forwards, Lucas and Bartlett; Centre, Piers; Defense, Hamilton and MacDonald; Spare, Devolve.

Editorial Note.

The news of the High School's triumph was received with joy and jubilation by their friends in the city last night, many of whom had been anxiously awaiting word of the result of the intercollegiate classic.

When news of St. John's victory came flashing across the wires, the local fans put up a shout of triumph, and the house tops, "I told you so." There was reason for their joy cries for the fine squad of boys who have worn the colors of the Red and Grey demonstrated early in the season that there was nothing their equal in the intermediate section of the City League, notwithstanding the fact that several of the intermediate teams played a brand of ball that was most creditable for an intermediate team.

The High School boys however went through to the championship of the league and the end of the season without a single defeat. Then they proceeded to clean up things in the Provincial Intercollegiate, playing Fredericton High School, the Provincial champion, and the St. John's College, and winning every game in which they featured. For their performance they were awarded the Scott Cup.

Their victory last night entitles them to no trophy although the title they will prove sufficient reward to the boys, and perhaps before next year some public spirited citizen will put up a trophy to go with the title.

The High School's lineup throughout the season has been: Forwards, Lee and Fraser; Centre, Potter; Defense, Welsford and Wilson; Spares, Frost and Williams.

## Post Office Team Won Championship

Black's Alleys were the scene of great enthusiasm last evening when the supporters of the Post Office and Commercial League Bowlers.

The Post Office team won the series and championship by taking last night's game by a total pinfall of 1,387 to their opponents' 1,238. Many interesting features resulted from the game, including the second string total of 509, made by the Post Office, which is a record for the Commercial League for one string.

The total pinfall of 1,387 is this year's record for a team total in the league and Maxwell's score of 309 is also a record for the year in this league. The Sugar Refinery bowlers won the first series of the league and the Post Office captured the second in the ultimate necessary, in order to decide the championship.

## Jock Hutchison Makes Good Start

Pinchurst, N. C., March 31.—Jock Hutchison, of the Glenview Club of Chicago, holder of the British open championship made a fine start today in the North and South open golf championship tournament by taking only 23 strokes for the first nine holes. He finished in 37 for a card of 70, which was low enough to lead the early starters.
