CURE OF LI

Dear Sir,—Having proved ~~my own~~ ^{my own} medicine that will indeed cure Liver Complaint ~~and~~ induced to make this statement, under oath which is to ~~be~~ been sorely afflicted for the last three years, according to statements with Liver Complaint and Dyspepsia. I had a ~~ing~~ and vague uneasiness about the stomach, worse than pain of wind, occasional pain, drowsiness, constipation, uneasiness side, headache, a poor appetite, &c., &c., and was greatly ~~in~~ strength. Hearing your new Indian medicine the Great Shoshonee Remedy spoken of so highly I tried a bottle with your Pills, from ~~the~~ must say I found but little change, but I took another and then found ~~the~~ health improving. I continued it until I have taken about ten bottles, using the Pills, and I find that I have quite recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. I told him the Great Shoshonees Remedy was doing it. I have recommended the remedy in several cases and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

AMBROSE WOOD.

Sworn before me at Consecon, C. W., this 2nd day of March, 1867.

J. M. CADMAN, J. P.,

A Commissioner in Q. B., in and for the County of Prince Edward.

CURE OF TROUBLESOME SORE.

Roxborough, 9th Concession, Athol F. O.
Co. of Stormont, Ont.

This is to certify that in the year 1863 in travelling in the Western parts of the province of Ontario in connection with the Bible Society, one of my feet got sore and broke out and all I could do to heal the same proved of no avail. I had to return home in November unable to travel any longer. It got better through the winter but broke out again the summer following and so on until June 1868.

I had all but given up hope of recovery, but as a last resort I purchased a bottle of the far famed Shoshonees Remedy in the village of Shannonville, with a box of the pills and before one half of the bottle and pills were used signs of health were visible, and by the time the Bottle was all used my foot was as well as ever. To-day 17 months after the cure above stated, no appearance of further trouble. Should any wish to know from me more fully with regard to the cure I shall be most happy to comply with their wishes.

JOHN FINLAYSON

Colporteur of the Kingston Branch of the British and Foreign Bible
