

ONLY an artist can blend colors to match the beautiful Red Rose.

Blending teas is even more difficult.

It requires expert knowledge and a highly cultivated sense of taste to select teas from many different gardens and produce a uniform blend day after day.

Only the largest companies can afford to employ men who are expert tea tasters and blenders.

Red Rose Tea is an example of the fine art of tea blending, more than a dozen varieties of choice teas being used—principally rich, strong, full-flavored ASSAMS.

Its delightful and distinctive flavor is exclusive to Red Rose. And its rich strength means economy in your tea pot.

## Your Vote and Influence are Solicited for Walter J. Snider Miller, of Conestogo.

Mr. Walter J. Snider is well known as a wholehearted public spirited citizen. As clerk of Woolwich Township for many years, Mr. Snider has shown marked ability and loyalty to the interests of the community.

Not long since the Provincial Government was invited by Mr. Snider to take over the control of a magnificent grove in the valley of the Grand River, previously owned and controlled by Mr. Snider—a clear evidence of exceptional public spirit.

While accepting the good faith of the various candidates for legislative honor, Mr. Snider feels that there should be at this time no narrow party feeling aroused.

The member who represents the people of North Waterloo should not undertake to advocate any special class interest at the expense of that of other members of the community.

The Liberal platform we believe expresses the wishes and desire of the people of this community as a whole. At a time like the present when the country needs the best efforts of all, for all, sectionalism should be avoided, and Mr. Snider's slogan "Each for all and All for each" should be adopted in these reconstruction days.

### RHEUMATIC PEOPLE

Can Only Find Relief by Enriching the Blood

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting inflammation in the muscles and joints. Wet weather or cold weather of autumn may start the tortures of rheumatism, but is not the cause. The cause is in the blood and the blood only. Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptoms of poison in the blood which may shortly leave the victim racked and helpless.

There is only one way to cure rheumatism and that is through the blood. Liniments, hot applications, and rubbing may give temporary ease, but cannot possibly root the trouble out of the system. That can only be done by the rich red blood which Dr. Williams' Pink Pills actually make. This new blood drives out the poison acids and impurities and the rheumatism disappears. If you are a sufferer from this painful malady begin curing yourself to-day by the use of Dr. Williams' Pink Pills and see how soon the pains and stiffness of the joints fade away, leaving behind new energy and new health. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

### STOMACH ON A STRIKE

"Pape's Diapiesin" puts Sour, Gassy, Acid Stomachs in order at once!

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt, if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just eat a tablet or two of Pape's Diapiesin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress. If your stomach doesn't take care of your liberal lunch without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapiesin, which costs so little at drug stores.

### PLENTY OF SURPRISES

In Madge Kennedy's Picture "Through the Wrong Door" At Allen

Surprises follow in quick succession through the five parts of Madge Kennedy's newest Goldwyn picture, "Through the Wrong Door" which comes to the Allen Theatre, beginning Mon. Tues.

A romantic rich girl accompanies her father to the land of sugarbush and the still hunt for a romantic western hero, but has to confess that her search is fruitless. When she has decided that her father's choice of a husband, a perfectly decent but commonplace idler, is all that life has in store for her, she goes to a wrong address and there meets a westerner. It has been storming, and her feet are thoroughly wet. So, at her host's suggestion, she takes off her shoes and stockings, and is more surprised at her action than he. Later, she learns with a shock that he has been tricked out of his own worldly possessions; and finally that her father is the agent of the young westerner's misfortunes. To add to her surprise, the girl finds herself enjoying the job of dishwasher in the home of her western acquaintance. And what is more unusual still, discovers that she really does not wish to resist his attempts at love-making. Her final surprise comes when she defies her own father and tells him that she has thrown in her lot with the westerner, whom he has defrauded.

## TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens so Naturally Nobody Can Tell. The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients called "Wych's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wych's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.
