The Thrift Car Model 90 Saves Man-Power!

THE decreased man-power means every Canadian at home must do more work and in less time.

A Model 90 car can save you many hours a day; conserve your energy; give you a wider radius of activity; multiply your usefulness and benefit your health!

As motor car property is appraised more carefully, the esteem for the Overland Model, 90 rises.

It is noteworthy that—

Substantial families accustomed to the best find this car expresses their thrift spirit without lowering their standards.

Its comfort, beauty, roominess, and complete accommodations are a revelation to those who knew Model 90 only by its reputation for economy and efficient performance.

This car is built both as a touring model and as a five-passenger Sedan.

To-day one cannot wisely select a car without the utmost consideration of the character and resources of the institution behind it.

To own a Model 90 is to be a beneficiary in the protection of the Willys-Overland policy of fair treatment and comprehensive service.

To transact business with such a concern assures complete satisfaction and makes the element of risk negligible—now and later.
