

TEA TABLE TALK

"The proof of the pudding is in the eating." The proof of good tea is in the drinking. The great and increasing army of people who regularly drink

BLUE RIBBON TEA

choose it with their eyes open. They know its excellence—its uniformity—its economy. And they know its purity. Common sense tells them that the new double wrapper makes deterioration impossible. Scores of thousands have proved "BLUE RIBBON" "by the drinking." Do the same yourself. Get your money back if you don't agree with them.

ARE YOU INTERESTED IN MUSIC in any shape or form? Then be sure to visit Western Canada's Oldest and Largest Music House—the house of the famous Heintzman & Co. Pianos, the home of the Victrola, the place where you can get—if it can be got—every song that's sung, every piece that's played, every instrument known, and all their parts.

We are the Largest Musical Merchandise House in the West, carrying a large stock of Violins, Orchestral and Band Instruments and Accessories.

Our New Catalogue of Musical Goods is waiting for you. Be sure to call and get one. Or better still, write for one to-day. It should be in the hands of every music lover in Western Canada.

While in the city, make yourself at home at the House of McLean.
